1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

Upholding the motto of MVP Samaj's 'Bhaujan Hitay bahujan Sukhay' i.e. welfare and happiness of the masses, the KSKW Arts, Science & Commerce College, CIDCO, Nashik is committed to provide higher educational opportunities to socially under-privileged and financially weaker sections of the society. The institution is affiliated to the Savitribai Phule Pune University, Pune. The institute follow University prescribed curriculum and all the guideline of the university. The college offers UG & PG courses affiliated to the Savitribai Phule Pune University, Pune for effective operationalization of the curricula.

It aims to develop and deploy various plans for effective implementation of the curriculum. The institute has academic calendar in which all the activities of the academic year are planned. Every Department has month wise teaching plan for each theory and practical course for scheduled curriculum delivery. The plan is sanctioned by the Head of the Department and the Principal. Time Tables are prepared for all classes of respective programmes. Allocation of lectures of all subjects is planned according to Savitribai Phule Pune University, Pune rules and regulations. Effective curriculum delivery is done by using Information and Communication Technology (ICT), educational charts, posters and models along with chalk and talk method. Our teaching faculty update themselves by attending Refresher Courses, Orientation Programmes, Short Term Course, Workshops, Seminars and Conferences organized at various levels such as District, University, State, National & International. To inculcate research attitude and novel thinking students are encouraged to participate in Science Exhibition, Research Project Competitions and Field Surveys. To develop effective communication skills, presentation skills, management and leadership skills, students are motivated to participate in soft skill training programmes / certificate courses. There is great deal of flexibility available to students. There is choice based credit system and range of subject option for PG courses. The institute offers self-finance programmes. Students opt for courses run by YCMO University & various diplomas. Number of efforts is made by the institute on issues of gender, climate change, environmental education and human rights. IQAC monitors are evaluating the quality of enrichment programme. To improve employability, programme of B.Voc. has been started. The institute consistently take efforts in developing the network and interactions with the university, industry and research organizations. This is done by establishing MoU's, linkages & collaborations with various research institutes, industries and organizations. The institute provides all necessary infrastructural facilities such as Audio-visual hall, Science laboratories, language lab, educational software & material such as CD's, reference books in library and e-library facility. There is library facility for blind persons also. This helps teaching faculty to well plan curriculum delivery. At the end of every academic year the syllabus completion report is submitted to the Principal through the Head of the Department. To assess quality of curriculum delivery student feedback is taken online at the end of semester/ term. By taking feedback from stakeholders improvements and recommendations are suggested. For effectively translating the curriculum and improving the teaching practices university and institution provide procedural and practical support to faculty.

7.1.2 – Environmental Consciousness and Sustainability/Alternate Energy initiatives such as:

Percentage of power requirement of the University met by the renewable energy sources

Green audit is considered as one of the thrust area of the college hence special emphasis is given on various related activities. Program and initiatives under this category are formulated and executed by a Green Audit Team. The objective of the audit team is to create and maintain environment

friendly campus and to inculcate an ecofriendly attitude among students and community. ? Ecoenvironmental infrastructural facilities ? Green Audit of the college campus ? Tree plantation programme by NSS and NCC students ? Loard Ganesh statue collections during Ganesh Festival ? Celebration of Ozone day ? Disaster Management Training Program ? Swachhata abhiyan at college level ? Solid Waste management Vermicompost unit ? Cleanliness campaign ? Projects on Environmental Awareness by second year students Energy Audit • The objective of the audit was to study the energy consumption pattern of the facility, identify the areas where potential for energy/cost saving exists and prepare proposals for energy/cost saving along with investment and payback periods. • The salient observations and recommendations are given below. 1. MVP'S KSKW Arts, Science And Commerce College, Uttamnagar, CIDCO, Nashik uses energy in the following forms: a. From MSEDCCL b. Electricity SOLAR Grid connected solar plant (15.3kw) c. High Speed Diesel Generator (HSDG) • Electrical energy is used for various applications, like: Computers, Lighting, Air Conditioning, Fans Other Laboratory Equipment, Printers, Xerox machines, CCTV, UPS, LCD Projector, Router system, Flood light, Pumping motor etc. 2. The average cost of energy is around Rs. 27,207/Month. 3. The Specific Energy Consumption (SEC) is the ratio of energy required per square meter. In this case the SEC is evaluated as electrical units consumed per square meter of area. It is calculated as under for (Electricity): 0.21504 kWh/Sq.m 4. After the measurement and analysis, we propose herewith following Energy Efficiency Improvement measures. ? Total savings during the energy audit is estimated at Rs. 2,87,326/ ? The total energy cost with an overall payback period of 1.68 Years for technical and economical feasibility.

7.1.7 – Initiatives taken by the institution to make the campus eco-friendly (at least five)

1) E waste Management: Policy in this aspect is to reduce, reuse and recycle. Source reduction is achieved through installation of modular and upgradable type of instruments. Recovery and reuse The functional parts of electrical and electronic instruments were recovered and reused for which a separate room is set apart. Inventory management The ewaste is systematically recorded in registers with information about the source and reason for disposal. Productionprocess modification The ewaste is categorized based on their defects and processed for future use. 2) Use of Renewable Energy: Recently college is exploring various avenues for availing the sources of renewable energy to fulfil its ever increasing energy requirement. For example Roof Solar Panels installed for alternate power sources in the college Campus. 3) Solid Waste Management: Vermicompost Unit is installed in the campus as an effective method of solid waste management. 4) Efforts for Carbon Neutrality: The College makes the student aware of the Carbon Credits, Carbon Neutrality its advantages etc as a curriculum in the subject Environmental Awareness in the second year programmes. Projects/assignments are also given to the students 5) Paperless communication for administrative and academic purposes through emedia An SMS Alert System for information dissemination about important dates and notices among the students and the staff is managed. 6) Tree Plantation: Various trees are planted and maintained to keep the campus green.

CRITERION I : CURRICULAR ASPECTS

1.1 Curriculum Planning and Implementation

1.1.1 Institution has the mechanism for well planned curriculum delivery and documentation.

Upholding the motto of MVP Samaj's '*Bhaujan Hitay bahujan Sukhay*' i.e. welfare and happiness of the masses, the KSKW Arts, Science & Commerce College, CIDCO, Nashik is committed to provide higher educational opportunities to socially under-privileged and financially weaker sections of the society.

The institution is affiliated to the Savitribai Phule Pune University, Pune. The institute follow University prescribed curriculum and all the guideline of the university. The college offers UG & PG courses affiliated to the Savitribai Phule Pune University, Pune for effective operationalization of the curricula. It aims to develop and deploy various plans for effective implementation of the curriculum.

The institute has academic calendar in which all the activities of the academic year are planned. Every Department has month wise teaching plan for each theory and practical course for scheduled curriculum delivery. The plan is sanctioned by the Head of the Department and the Principal.

Time Tables are prepared for all classes of respective programmes. Allocation of lectures of all subjects is planned according to Savitribai Phule Pune University, Pune rules and regulations.

Effective curriculum delivery is done by using Information and Communication Technology (ICT), educational charts, posters and models along with chalk and talk method. Our teaching faculty update themselves by attending Refresher Courses, Orientation Programmes, Short Term Course, Workshops, Seminars and Conferences organized at various levels such as District, University, State, National & International.

To inculcate research attitude and novel thinking students are encouraged to participate in Science Exhibition, Research Project Competitions and Field Surveys. To develop effective communication skills, presentation skills, management and leadership skills, students are motivated to participate in soft skill training programmes / certificate courses. There is great deal of flexibility available to students. There is choice based credit system and range of subject option for PG courses. The institute offers self-finance programmes. Students opt for courses run by YCMO University & various diplomas. Number of efforts is made by the institute on issues of gender, climate change, environmental education and human rights. IQAC monitors are evaluating the quality of enrichment programme. To improve employability, programme of B.Voc. has been started.

The institute consistently take efforts in developing the network and interactions with the university, industry and research organizations. This is done by establishing MoU's, linkages & collaborations with various research institutes, industries and organizations.

The institute provides all necessary infrastructural facilities such as Audio-visual hall, Science laboratories, language lab, educational software & material such as CD's, reference books in library and e-library facility. There is library facility for blind persons also. This helps teaching faculty to well plan curriculum delivery.

At the end of every academic year the syllabus completion report is submitted to the Principal through the Head of the Department. To assess quality of curriculum delivery student feedback is taken online at the end of semester/ term. By taking feedback from Alumni, Parents, Students and Teacher, improvements and recommendations are suggested.

For effectively translating the curriculum and improving the teaching practices university and institution provide procedural and practical support to faculty.

 - b. Electricity SOLAR Grid connected solar plant (15.3kw)
 - c. High Speed Diesel Generator (HSDG)

- Electrical energy is used for various applications, like: Computers, Lighting, Air-Conditioning, Fans Other Laboratory Equipment, Printers, Xerox machines, CCTV, UPS, LCD Projector, Router system, Flood light, Pumping motor etc.
- The average cost of energy is around Rs. 27,207/Month.
- The Specific Energy Consumption (SEC) is the ratio of energy required per square meter.
In this case the SEC is evaluated as electrical units consumed per square meter of area.
It is calculated as under for (Electricity): 0.21504 kWh/Sq.m
- After the measurement and analysis, we propose herewith following Energy Efficiency Improvement measures.
 - Total savings during the energy audit is estimated at Rs. 2,87,326/-
 - The total energy cost with an overall payback period of 1.68 Years for technical and economical feasibility.

7.1.7 Initiatives taken by the institution to make the campus eco-friendly (at least five):

- 1) **E-waste Management:** Policy in this aspect is to reduce, reuse and recycle. Source reduction is achieved through installation of modular and upgradable type of instruments. Recovery and reuse - The functional parts of electrical and electronic instruments were recovered and reused for which a separate room is set apart. Inventory management - The e-waste is systematically recorded in registers with information about the source and reason for disposal. Production-process modification - The e-waste is categorized based on their defects and processed for future use.
- 2) **Use of Renewable Energy:** Recently college is exploring various avenues for availing the sources of renewable energy to fulfil its ever increasing energy requirement. For example Roof Solar Panels installed for alternate power sources in the college Campus.
- 3) **Solid Waste Management:** Vermicompost Unit is installed in the campus as an effective method of solid waste management.
- 4) **Efforts for Carbon Neutrality:** The College makes the student aware of the Carbon Credits, Carbon Neutrality; its advantages etc as a curriculum in the subject Environmental Awareness in the second year programmes. Projects/assignments are also given to the students
- 5) Paperless communication for administrative and academic purposes through e-media - An SMS Alert System for information dissemination about important dates and notices among the students and the staff is managed.
- 6) **Tree Plantation:** Various trees are planted and maintained to keep the campus green.

MVP is the institution with all the amenities of education, research and extra-curricular activities. The motto of MVP is "*Bahujan Hitay Bahujan Sukhay*". Its meaning is "Wellbeing of the Masses". To achieve this Moto college is abide each and every plan must be chalked out for students. The college always concentrates on students' qualitative performance along with their overall personality development. The college motivates girls and boys for their social responsibilities. Various gender sensitization programmes are organised by different committees in the college to bring out the overall development of girls and boys and thereby to mould a better society with equality.

Every year health camp is organised for students. It has been carried out in collaboration with MVP's Dr. Vasantrao Pawar Medical College Hospital and Research Centre, Nashik. A free check-up camp has been organised by our college and doctors of various specializations were invited for consultation. Every year college forms Discipline Committee for maintaining Discipline in the campus. The Vishakha Guidelines were a set of procedural guidelines for use in India in cases of sexual harassment. The college enthusiastically provides student oriented schemes for their upliftment and empowerment. "The Earn and Learn Scheme" was started for economically weak students. The selection is made through proper procedure- inviting applications- scrutinizing them – and interview. The payment is given as per clock hour basis.

Special feature of this year is ***Manakarnika Award*** which has been given to motivate the girl student of every department who are struggling for their lives and taking education in worst condition and are successful in education also.

Even though ours' is a traditional college, students' career needs are looked by training and placement cell. Students are equipped with those skills which are necessary for them to be competent in global market. The college has NCC unit only for girls. The NCC unit for girls provides a suitable environment for taking up a career in the armed forces. Gymkhana department is very active. It motivates students to participate in various indoor and outdoor games. Yoga training is given to students and teachers every year.

Reading festivals and book exhibitions are arranged under the initiative of the library. In the year 2018-19 book exhibition on gender sensitization was organized by the library. All three genders related books and writers' books were displayed in exhibition.

The College Library has done International MoU with the Kusumagraj Pratishthan for "Granth Tumchya Dari" Service to improve the reading habits among staff & Students, Strengthen the library collection and make available books to the stakeholders. The Kusumagraj Pratishthan Issue a Box of 100 books to the college library for 4 months. College Library issue these books to the readers without charging any kind of fee. After 4 months the Kusumagraj Pratishthan Update this box of 100 books they give another 100 books to the college library.
