### **2.6.1. Teachers and students are aware of the stated Programme and Course Outcomes of the Programmes offered by the institution**

Following the vision and mission of the parent institute ‘‘Bahujan Hitay, Bahujan Sukhay’’, (education for masses), the college is keen on the program and course outcomes offered. The College being affiliated to Savitribai Phule Pune University, we follow the academic curriculum prescribed by university. For each program run by the college, affiliating university provides the detailed curricula that clearly mentioned the Program outcomes. Similarly, the syllabus of respective subject/course offered in the programme states the course outcomes for respective courses. The following mechanism is followed by the institution to communicate the programme outcomes, course outcomes to the teachers and students.

Hard Copies of the syllabi are available in the departments for ready reference to the teachers and students.

- ✓ The Head of the respective department explains the CO, PO and PSO to their departmental colleagues during meetings of syllabus distribution at inception of the year.
- ✓ The Programme outcomes and Course outcomes are communicated to the students through introductory lectures conducted by the concerned subject teachers and aware them about access of hard copies of syllabus available in the department.
- ✓ The students are also made aware of CO, PO and PSO through Induction programme at the inception of first year of each program at UG.
- ✓ Soft copies of syllabus containing Program outcome and Course outcome will be made available on University and College website for free access to the students and all the stakeholders.
- ✓ Alumni are invited to communicate with students and teachers at specific events and they share their views regarding how they shaped their career with specified course outcomes.
