Institution	03	105000
Government	1832	77,49,654

2.6 GOVERNANCE, LEADERSHIP AND MANAGEMENT

Vision and Mission of the institution

Vision:

“To Empower Students with Innovative Life Skills and Social Values for Global Competency”

Mission:

Upholding the motto of M.VP Samaj, ‘*Bahujan Hitaya, Bahujan Sukhaya*’, i.e. welfare and happiness of the masses, the institute is committed to provide higher education opportunities to the socially under-privileged and financially weak sections of the society and create dignity of labour and importance of self-reliance.

Quality improvement strategies adopted by the institution for each of the following:

Curriculum Development-The College is affiliated to the University of Pune, so college has been following the curriculum developed by the University. Generally University of Pune makes revision in the curriculum of each programme after every 3 to 5 years. There is a specific process for revision of curriculum. Region wise curriculum revision meetings of concerned faculties are conducted. Discussions are carried out in such meetings and decisions are drawn. Decisions and opinions of the various faculties are considered by the B.O.S. and finally curriculum is revised in the meeting of the BOS of Pune University. Faculty members are encouraged to be the BOS member and they are also asked to take active part in Curriculum Designing.

Teaching and Learning -The college adopts various Quality Improvement Strategies every year and change and modify every year as per the need time to time. The following strategies were adopted by the college during the year:

- ICT based teaching, innovative practice in teaching.
- Seminars, GDs & presentations.
- Study tours, industrial visits.
- Feedback, remedial classes, easy availability of library resources, group tutorials, games, dialogue, discussions and debates.
- Along with these, some co-curricular and extra-curricular activities were also organized for the students.

Examination and Evaluation -Every year the college updates the strategies for quality improvement in Examination and Evaluation. The following strategies were used by

- Appointed a separate CEO-Examination.
- Separate Exam Committee with senior faculty members and administrative staff.
- Computerization all examination processes.
- Central Assessment Programme (CAP) was followed Paper Setting was at centralized at institutional level.
- Provision for Revaluation, Rechecking and Photo Copy of answer book.

Research and Development- The following strategies were adopted by the college for the quality improvement in research and development.

- Appointed Academic and Research Coordinator in the college.
- Continuous Encouragement to faculty members for research work.
- Research facilities are made available in the college for students and faculty members.
- Encouragement for student and teachers to take part in Research activity like Avishkar, Exhibition and projects.
- Provided financial assistance to faculty members and students to participate and present papers in National and International Seminars and Conferences.

Library: There is a separate section for Library.

- Separate reading room for boys and girls students.
- Book issue counter.
- Research and e-journals, e-books, educational CDs, INFIBNET, IT zone for student and staff.

Human Resource Management:

- Career and Counseling cell is active.
- Different committees were formed to administer the various activities of the college properly.
- Students' participation in organizing various co-curricular, extra-curricular and extension activities.
- Student Council was formed as per the guidelines of University law.

Admission of Students :

The Standard admission process of University of Pune is followed for admission to various courses. Admission to the each student for each programme is given as per the procedure laid down by the Govt. of Maharashtra and University of Pune. The following procedure is followed for improvement in admission of students.

- Admission committee was formed for each course.
- Schedule of admission was announced in prospectus college web site and news papers.
- Filled admission forms were collected from the students by the respective committee.
- List of the students was prepared on the basis of the forms which were collected.
- Merit list was prepared considering the reservations and display on the board & college web site.
- A waiting list of the remaining applicant was prepared.
- Admissions to each course were given as per displayed schedule.

Welfare schemes for: Teaching and non-teaching:

- Two credit and cooperative society having loan facility up to Rs 12, 00,000/, to the staff.
- Medical insurance, free medical check up.
- College social tea club for all staff.

Whether annual financial audit has been done : Yes

Activities and support from the Alumni Association:

Alumni association is actively involved in college programs and development. Meetings of the association were held during the year. Issues regarding quality improvement, expectations of the society from college, change in the curriculum, Participation in placement programme etc were discussed.

Activities and support from the Parent–Teacher Association:

Parent–Teacher Association suggests some ways on development of college, curriculum, students related activities, Extension activities every year. The college follows some of the workable suggestions Parent–Teacher

Initiatives taken by the institution to make the campus eco-friendly:

- Some environment awareness programmes were arranged.
- Campus Cleanliness Programme.
- Green campus.
- No vehicle day on republic day for staff and students.

2.7 INNOVATIONS AND BEST PRACTICES:

Innovations introduced during this academic year which have created a positive impact on the functioning of the institution give details.

- Organized Workshops, Seminars for students, every year
- Most of the students participated in NSS Camp and work as volunteers
- Faculty members participated and presented research papers in national and International Conferences
- ICT enabled Teaching and Learning for UG and PG students
- Remedial teaching for slow learners
- Parents meeting organized for discussion about student's progress and oral feedback

Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

- As per the designed academic calendar college covers all the curricular, co-curricular, extracurricular and extension activities during the year.
- Mother institute, Principal and IQAC coordinator monitor and take the review of the various activities conducted throughout the year.

- The lacunae are discussed and improvements to be brought in the next academic year in all programs and activities.
- Oral and written feedback is taken from stake holders and given to IQAC for improvement.
- Seminars, conferences and workshops were benefited for the students and faculty.

Best Practices of the institution

1. Title of the Practice: Inclusive Education for Marginalized

Goal: Catering Educational Needs to:

- Socially and Economically diffident students
- Girl students
- Differently abled students
- Slow learners

The inclusion promotes quality and equity education for all, without any type of barrier or exclusion. The practice takes care of those who may be potentially marginalized due to disability, gender, emotional/ behavioural problems, family background, and poverty.

02. Title of the Practice: Health Consciousness

Health isn't everything, but without health everything is nothing. The saying itself tells us that health consciousness is an integral part of Human lives. Keeping in mind this the college has decided to run one of the best practices that will concentrate on developing the positive attitude about health consciousness among the faculty as well as students. The Best Practice, Health Consciousness, includes not only the physical health but also the mental health of the students. Blending these two together will also help in inculcating the spiritual values among the students.

Goals:

- To focus on academic excellence of students, teachers and other employees
- To build positive attitude and pure thoughts in human beings
- To build self-esteem and boost the self-confidence
- To motivate the students and employees to live stress free life
- To develop sense of interpersonal relations
- Improve physical, mental and social health
- To sustain the body physiology
- To develop neuro -muscle system in students' body
- To develop the concentration level of students
- To improve students' academic performance by raising their level of energy, focus and concentration

Contribution to environmental awareness / protection:

- Green Audit of the college campus
- Instalment of solar panel system
- Tree plantation programme by NSS and NCC students
- Celebrated International Olympic Day
- On the occasion of Ganesh visarjan our students and staff involed in Shri Ganesh Murti sankalan First aid team from college to help people Celebrated

SWOC Analysis:**Strengths:**

- Adequate buildings having separate sections/rooms for all the departments and students support services
- Ventilated and illuminated lecture rooms
- Well equipped Laboratories
- Spacious administrative sections
- Lavatory facilities.
- Well equipped and spacious reading rooms separate for girls and boys
- Seminar hall
- Sports Facilities and gymnasium
- First aid centre
- Enough exposure of extension opportunities for students
- Provides equal opportunities to socially, educationally, economically differently-abled and marginalized sections of the society
- Active units of NSS & NCC girls
- Audio visual aids/ ICT based teachings
- Strong support of the Management in developing infrastructural facilities, academic planning and development
- Adequate numbers of qualified faculty members as well as efficient non-teaching staff.
- Overall the dynamic and inspiring leadership of the Principal to facilitate various qualitative developments in the campus, provide supportive services efficiently, inculcate the research attitude among the faculty members and the students of the college and to have improvement in office and library services and the overall development of the students
- Meetings with LMC and stockholders

Weakness:

- Limited number ICT based classrooms
- Limited smart-class rooms.
- Limited space for sports and games

Opportunities:

- Institute has the potential to start post-graduate courses in subjects like Physics, Zoology, Botany, and Sociology.
- To start more skill based and need based courses in near future.

Challenges:

- Train most of the students in employable skills
- Convince to more companies, industries and corporate institutes to arrange more placements camps in the colleges premises
- Establish more linkages with national and international research institutes
- Increase more number of student's participation in various activities
- Increase computer literary of more students every year
- Sustain the quality of education and all the supportive services in the college premises to holistic development of the students.
- Develop the students as per requirement of industry according to global scenario.

Plans of institution for next year:

- ICT based classrooms for effective teaching and learning
- Development in Placement cell and Competitive Examination Cell
- Start self defence training for girl students
- Seeking of approval to run community college and skill based courses
- Establish MOU with industry for skill based courses and maximum placement of students
- To organise National Seminar and State seminar
- To organise sports events
- Submission of proposal for generating grants from UGC/RUSA

15. A) Curricular Aspect:**1) Does the feedback on the syllabus is taken from the Student/ Teacher/Alumni/ academic peers? If yes, Please specify:**

Every year a proper feedback is taken from the students about the subjects teacher, curriculum and the infrastructural facilities. Feedback is analyzed by the head of the department as well as the principal of the college and accordingly proper action is taken by giving suggestions for the better performance on the part of the teacher. The suggestion made by the students as far as enrichment programmes and infrastructural facilities are concerned are carried out by taking the appropriate action.

2) whether the teaching plan of the department is prepared? If not, state the reason :

Yes, In order to carry out the teaching activity smoothly every teacher is provided with the academic calendar as well as teaching dairy And is asked to prepare course wise teaching plan this helps in resulting into completion of the syllabus in time. Towards the end of each Term the teacher is also asked to submit the syllabus completion report.

3) Add on, diploma course, remedial teaching performed in the department (Y/N), Please specify : NIL**4) Number of invited lectures arranged in the Department: NIL**

B) Teaching- Learning and Evaluation:**1) Efforts taken for mentoring the slow and advanced learners:**

For mentoring the slow learners the department conducts special guidance and home assignments are to students. As a result of this , students score good marks in the university examination.

For the advanced learners special coaching about various examinations is given to the students .The department motivates such students for participatory teaching in the class.

2) Teaching methods used other than lecture method:

For mentoring the slow learners the department conducts special guidance and home assignments are to students. As a result of this , students score good marks in the university examination.

For the advanced learners special coaching about various examinations is given to the students .The department motivates such students for participatory teaching in the class.

3) E-learning methods used for teaching:

Due to Today digital world, the department makes use of E-learning methods for teaching.PPT s of Some topics are used. Screening of some Movies and Dramas relates to social Issues are available in Department.

C) Research, Consultancy and Extension:

1) Collaboration of the department with, Local National, International organizations (if any):

2) Linkages of the department with, Local National, International organizations (if any):

2) Consultancies of the department (if any)

3) Web pages, portal developed by teacher for the research activities:

4) Participation of the teachers in the Extension activities:

D) Infrastructure: NIL**1) Efforts taken by the department for making green, eco-friendly college campus and waste management:**

The students from the department actively participate in various rallies organized by the NSS, NCC units of the college. Apart from this the students from the department are always made aware about the waste management and are motivated to reuse the waste in proper way.

There has been put ban on the use of plastic in the department therefore students do not have to submit any documents in the plastic files

Rather they can simply submit the papers by putting stapler. On the occasion of celebration of various days students are motivated to give tree plants as a token of gift in place of other precious things. Such activities create awareness about tree plantation on the campus as well as off the campus.

2) Teachers using national knowledge network (NKN) ,NPTEL, NMEICT (National Mission of Education through ICT):

Following the National Mission of Education through ICT the department uses ICT resources for teaching of Sociology. The college has

Provided LCD Projector which is being used for screening of the social issues based movies, Dramas as well as for Power Point Presentations.

The department has a good collection of social issues based Dramas, Movies.

E) Students Support and progression:**1) Teachers performing Academic, Career, personal or Psychological counseling:**

The students are counseled orally by the faculty members about the job opportunities as well about professional avenues available in the present Market. A proper guidance is given by the students about various academic activities and opportunities

E) Students Support and progression: NIL**2) Numbers and efforts taken for the placement of the students: NIL****3) Involvement of teachers in Skill, Communication and Personality Development of the students: NIL****F) Governance, Leadership and Management: NIL**

B) Efforts of the Department to fulfill the Vision and Mission of the college: NIL

2) Participation of the teachers in the various College committees:

Faculty member wise Committees

15. A) Curricular Aspect:**1) Does the feedback on the syllabus is taken from the Student/ Teacher/Alumni/ academic peers? If yes, Please specify:**

Every year a proper feedback is taken from the students about the subject teacher, curriculum and the infrastructural facilities. The feedback is analyzed by the head of the department as well as the principal of the college and accordingly proper action is taken by giving suggestions for the better performance on the part of the teacher. If some negative feedback is received about the curriculum the same is communicated to the university authority through the BOS members. The suggestions made by the students as far as enrichment programmes and infrastructural facilities are concerned are carried out by taking the appropriate action.

2) Whether the teaching plan of the department is prepared? If not, state the reason :

Yes. In order to carry out the teaching activity smoothly every teacher is provided with the academic calendar as well as teaching dairy and is asked to prepare course wise teaching plan. This helps in resulting into completion of the syllabus in time. Towards the end of each term the teacher is also asked to submit the syllabus completion report.

3) Add on, diploma course, remedial teaching performed in the department (Y/N), Please specify : No**4) Number of invited lectures arranged in the Department:**

It is a regular practice of the department to arrange few lectures of the teachers from the outside colleges. While inviting the teachers and allotting the topics the specialization of the teacher is taken into account. This helps to develop the interaction between the faculties as well as gives opportunities to the students to meet and interact with the teachers from outside colleges. Followings were some of the lectures arranged in the department.

Sr.No.	Name of the Guest Lecturer	Name of the College	Topic dealt with	Dates
1	Dr. A K Shinde	BOS Member of SPPune Uni. Pune	Impact of GST on Indian Economy	12-8-2017

B) Teaching- Learning and Evaluation:

1) Efforts taken for mentoring the slow and advanced learners:

Department involved in special Guidance scheme slow and advanced learners. As a result of this, students score good marks in the university examination. For the advanced learners special coaching about various examinations is given to the students. The department motivates such students for participating in various competitions as well as making presentations in the class.

2) Teaching methods used other than lecture method:

Apart from the traditional lecture method and communicative and interactive methods to cope up with the age of Information Technology and Globalization, the department gives emphasis on the use of ICT in the teaching and learning process. Students centric teaching is done by most of the faculty members of the department. Students are given chances to deliver lectures on the occasion of celebration of Teachers Day. Group discussions are carried out in the class,

3) E-learning methods used for teaching:

The department makes use of E-learning methods for teaching. Some of the difficult topics are dealt by using PPTs. For the Postgraduate students power point presentation is made compulsory while giving seminars. The department is provided with LCD Projector, which is widely used for making power point presentation.

C) Research, Consultancy and Extension:

1) Collaboration of the department with, Local National, International organizations (if any): NIL

2) Linkages of the department with, Local National, International organizations (if any): Nil

2) Consultancies of the department (if any): Nil

3) Web pages, portal developed by teacher for the research activities: NIL

4) Participation of the teachers in the Extension activities:

Dr.S.V.Patil

- 1) Worked as a member of National Level Seminar Organized by Department of Commerce on 22 and 23rd Dec. 2017
- 2) Two lectures delivered in K.S.K.WCollege, Nashik under Special guidance scheme
- 3) Worked as a Member of NAAC Crit. II

D) Infrastructure:

1) Efforts taken by the department for making green, eco-friendly college campus and waste management:

Though the department has not organized any special campaign for making green, eco-friendly college campus, the students from the department actively participate in such rallies organized by the NSS, NCC units of the college. Apart from this the students from the department are always made aware about the waste management and are motivated to reuse the waste in proper way. There has been put ban on the use of plastic in the department, therefore students do not have to submit any documents in the plastic files rather they can simply submit the papers by putting stapler. On the occasion of celebration of various days students are motivated to give tree plants as a token of gift in place of other precious things. Such activities create awareness about tree plantation on the campus as well as off the campus.

2) Teachers using national knowledge network (NKN) , NPTEL, NMEICT (National Mission of Education through ICT):

Following the National Mission of Education through ICT the department heavily uses ICT resources for teaching. The college has provided LCD Projector which is being used for screening of the text based movies as well as for Power Point Presentations. The department has established Power Point Presentations of the topics based the syllabuses.

E) Students Support and progression:

1) Teachers performing Academic, Career, personal or Psychological counseling:

The students are counseled orally by the faculty members about the job opportunities as well about professional avenues available in the present market. A proper guidance is given by the faculty to the students about various academic activities and opportunities.

2) Numbers and efforts taken for the placement of the students: Nil

Placement from the Department List for the academic year 2015-16

3) Involvement of teachers in Skill, Communication and Personality Development of the students:

Dr. Sadhana Patil is the member of the Soft Skills Development Programme. Two batches of around 60 students are conducted every year. Apart from this Dr.Smt.J.P.Jadhav have delivered lectures in various colleges under Soft Skills Development Programme. For Post Graduate Courses under Skill Development Programmes, the faculties from the department contribute in taking the syllabus related to communication Skills.

F) Governance, Leadership and Management: Nil

B) Efforts of the Department to fulfill the Vision and Mission of the college:

Our Department create an environment that strengthens the employability-ability research attitude among the students and help them to develop the skill necessary to lead a society with high ethics & morals for national and global development.

2) Participation of the teachers in the various College committees:

Faculty member wise Committees

Sr. No.	Name of the Faculty	Name of the Committee	Chairman/Member

15. A) Curricular Aspect:

1) Does the feedback on the syllabus is taken from the Student/ Teacher/Alumni/ academic peers? If yes, Please specify:

Every year a proper feedback is taken from the students about the subject teacher, curriculum and the infrastructural facilities. The feedback is analyzed by the head of the department as well as the principal of the college and accordingly proper action is taken by giving suggestions for the better performance on the part of the teacher. If some negative feedback is received about the curriculum the same is communicated to the university authority through the BOS members. The suggestions made by the students as far as enrichment programmes and infrastructural facilities are concerned are carried out by taking the appropriate action.

2) Whether the teaching plan of the department is prepared? If not, state the reason:

Yes. In order to carry out the teaching activity smoothly every teacher is provided with the academic calendar as well as teaching dairy and is asked to prepare course wise teaching plan. This helps in resulting into completion of the syllabus in time. Towards the end of each term the teacher is also asked to submit the syllabus completion report.

3) Add on, diploma course, remedial teaching performed in the department (Y/N), please specify: YES

Every year the department conducts the course on Remedial Teaching for the slow learners. This helps in bridging the gap between the slow learners and the advanced learners. Along with this the department has started practice of conducting a crash course for the students who fail in compulsory English subject. Around 10 to 15 days course is conducted for which the department has good a good response and feedback. This helped in improving the results of the department.

4) Number of invited lectures arranged in the Department: Nil

B) Teaching- Learning and Evaluation:

1) Efforts taken for mentoring the slow and advanced learners:

For mentoring the slow learners the department conducts a batch of Remedial Teaching as well as a crash course is conducted for the students who fail to score good marks in the internal examinations. As a result of this, students score good marks in the university examination.

For the advanced learners special coaching about various examinations is given to the students. The department motivates such students for participating in various competitions as well as making presentations in the class. The remedial teaching and crash course help to bridge up the gap between the slow learners and the advanced learners. After that the thrust is given on the ICT based teaching.

2) Teaching methods used other than lecture method:

Apart from the traditional lecture method and communicative and interactive methods to cope up with the age of Information Technology and Globalization, the department gives emphasis on the use of ICT in the teaching and learning process. Students centric teaching is done by most of the faculty members of the

department. Students are given chances to deliver lectures on the occasion of celebration of Teachers Day. Group discussions are carried out in the class, students are asked to perform some brief pieces from the play, novel and poetry on the stage.

3) E-learning methods used for teaching:

Since 21 Century is the century of IT and digital world, the department heavily makes use of E-learning methods for teaching. Some of the difficult topics are dealt by using PPTs. For the Postgraduate students power point presentation is made compulsory while giving seminars. Novels and Dramas are taught using the screening method. The department has around 20 text based movies in the form of soft copies. The Recreational Hall is used for screening the movies.

Since the department has Language Laboratory, it is regularly used for teaching of listening skills. The department also has a tape recorder which is used for making students listen to the poetry recitation in the original voice of the poets. This helps them in understanding how to read out a poem. There are near about 10 pieces of poems available in the department. The department is provided with LCD Projector, which is widely used for making power point presentation.

C) Research, Consultancy and Extension:

1) Collaboration of the department with, Local National, International organizations (if any): NIL

2) Linkages of the department with, Local National, International organizations (if any):

The department of English has established linkages with Academy for Communication Skills in English (ACE). In case of needs the department seeks help from ACE and the students are sent to the academy for leaning advanced level communications skills. The faculty members from the department also contribute in the teaching activity of the ACE. The teachers from the department provide the expertise in the field of translation studies and proof reading and editing.

3) Consultancies of the department (if any):

The faculty members of the department provide the consultancy in the field of proof reading, editing and translation at free of cost.

4) Web pages, portal developed by teacher for the research activities: NIL

5) Participation of the teachers in the Extension activities:

- Dr. Kiran Rakibe is an approved Counsellor of YCMOU and IGNOU
- Mr. Rajesh Zankar is an approved Counsellor of YCMOU, Nashik
- Mr. Rajesh Zankar delivered expert lectures at various school and colleges as Granth Anveshak
- Ms.Sangita Aher Actively participated in Blood donation camp and tree plantation programme.

D) Infrastructure:**1) Efforts taken by the department for making green, eco-friendly college campus and waste management:**

Though the department has not organized any special campaign for making green, eco-friendly college campus, the students from the department actively participate in such rallies organized by the NSS, NCC units of the college. Apart from this the students from the department are always made aware about the waste management and are motivated to reuse the waste in proper way. There has been put ban on the use of plastic in the department, therefore students do not have to submit any documents in the plastic files rather they can simply submit the papers by putting stapler. On the occasion of celebration of various days students are motivated to give tree plants as a token of gift in place of other precious things. Such activities create awareness about tree plantation on the campus as well as off the campus.

2) Teachers using national knowledge network (NKN), NPTEL, NMEICT (National Mission of Education through ICT):

Following the National Mission of Education through ICT the department heavily uses ICT resources for teaching of English Language as well as Literature. The college has provided LCD Projector which is being used for screening of the text based movies as well as for Power Point Presentations. The department has established a language Lab for teaching of language skills. The department has a good collection of Text based Movies, Audios of Poetry recitation and Power Point Presentations of the topics based on the syllabuses.

E) Students Support and progression:**1) Teachers performing Academic, Career, personal or Psychological counselling:**

The students are counselled orally by the faculty members about the job opportunities as well about professional avenues available in the present market. A proper guidance is given by the faculty to the students about various academic activities and opportunities.

2) Numbers and efforts taken for the placement of the students: Nil**3) Involvement of teachers in Skill, Communication and Personality Development of the students:**

Dr. Kiran Rakibe is the chairman of the Soft Skills Development Programme. Two batches of around 60 students are conducted every year. Apart from this Mr. Rajesh Zankar and Dr. Kiran Rakibe have delivered lectures in various colleges under Soft Skills Development Programme. For Post Graduate Courses under Skill Development Programmes, the faculties from the department contribute in taking the syllabus related to communication Skills in English

F) Governance, Leadership and Management: Dr. Kiran Rakibe is working as an Assistant Coordinator of NAAC. He is an approved counsellor of YCMOU and IGNOU. He is also working as a coordinator of the study centre of Yashwantrao Chavan Open University. Ms. Manjusha Nekar is working as an Assistant Coordinator for PG Course. Ms. Sanyogita Kendale is working as a Coordinator for PG Course.

16) Efforts of the Department to fulfil the Vision and Mission of the college:

The Department of English is one of the leading departments of the College. The department undertakes various activities for the students to fulfil the vision of the college. The Department helps the students to develop according to the needs of global academic standard. The department organized an interdisciplinary National Seminar for giving opportunity to the students to present them at National level. Following the National Mission of Education through ICT the department heavily uses ICT resources for teaching of English Language as well as Literature. The department conducts Soft skills Development Programme for UG students and a Skill based Course for PG students to develop them to face global challenges. The Department organizes various competitions as Quiz Contest, Elocution, Paper Presentation, and Group Discussion to develop their competence in English

15 A) Curricular Aspect:**1) Does the feedback on the syllabus is taken from the Student/ Teacher/Alumni/ academic peers? If yes, Please specify:**

Every year a proper feedback is taken from the students about the subject teacher, curriculum and the infrastructural facilities. The feedback is analyzed by the head of the department as well as the principal of the college and accordingly proper action is taken by giving suggestions for the better performance on the part of the teacher. If some negative feedback is received about the curriculum the same is communicated to the university authority through the BOS members. The suggestions made by the students as far as enrichment programmes and infrastructural facilities are concerned are carried out by taking the appropriate action.

2) whether the teaching plan of the department is prepared? If not, state the reason :

In order to carry out the teaching activity smoothly every teacher is provided with the academic calendar as well as teaching dairy and is asked to prepare course wise teaching plan. This helps in resulting into completion of the syllabus in time. Towards the end of each term the teacher is also asked to submit the syllabus completion report.

3) Add on, diploma course, remedial teaching performed in the department (Y/N), Please specify :

Every year the department conducts the course on Remedial Teaching for the slow learners. This helps in bridging the gap between the slow learners and the advanced learners. This helped in improving the results of the department.

4) Number of invited lectures arranged in the Department: (Only for Academic Year 2017-18)

It is a regular practice of the department to arrange few lectures of the teachers from the outside colleges. While inviting the teachers and allotting the topics the specialization of the teacher is taken into account. This helps to develop the interaction between the faculties as well as gives opportunities to the students to meet and interact with the teachers from outside colleges. Followings were some of the lectures arranged in the department.

3	Mr. P.V. Jadhav	K.T.H.M. College, Nashik	About Geography Day	14/01/2018

B) Teaching- Learning and Evaluation: Self evaluation, by result, performance & attendance of students

1) Efforts taken for mentoring the slow and advanced learners:

For mentoring the slow learners the department conducts a batch of Remedial Teaching as well as a crash course is conducted for the students who fail to score good marks in the internal examinations. As a result of this, students score good marks in the university examination.

For the advanced learners special coaching about various examinations is given to the students. The department motivates such students for participating in various competitions as well as making presentations in the class. The remedial teaching and crash course help to bridge up the gap between the slow learners and the advanced learners. After that the thrust is given on the ICT based teaching.

2) Teaching methods used other than lecture method:

Apart from the traditional lecture method and communicative and interactive methods to cope up with the age of Information Technology and Globalization, the department gives emphasis on the use of ICT in the teaching and learning process. Students centric teaching is done by most of the faculty members of the department. Students are given chances to deliver lectures on the occasion of celebration of Teachers Day. Group discussions are carried out in the class, assessment

3) E-learning methods used for teaching:

Since 21 Century is the century of IT and digital world, the department heavily makes use of E-learning methods for teaching. Some of the difficult topics are dealt by using PPTs. For the Postgraduate students power point presentation is made compulsory while giving seminars. The Recreational Hall is used for screening the movies. The department is provided with LCD Projector, which is widely used for making power point presentation

C) Research, Consultancy and Extension:

1) Collaboration of the department with, Local National, International organizations (if any): Nil

2) Linkages of the department with, Local National, International organizations (if any): Nil

3) Consultancies of the department (if any): Nil

4) Web pages, portal developed by teacher for the research activities: Nil

5) Participation of the teachers in the Extension activities:

- Environmental visits and awareness awareness programme.
- Celebration of Ozone day, Geography day, Tourism day, literacy day etc. every year

D) Infrastructure:**1) Efforts taken by the department for making green, eco-friendly college campus and waste management:**

Though the department has not organized any special campaign for making green, eco-friendly college campus, the students from the department actively participate in such rallies organized by the NSS, NCC units of the college. Apart from this the students from the department are always made aware about the waste management and are motivated to reuse the waste in proper way. There has been put ban on the use of plastic in the department, therefore students do not have to submit any documents in the plastic files rather they can simply submit the papers by putting stapler. On the occasion of celebration of various days students are motivated to give tree plants as a token of gift in place of other precious things. Such activities create awareness about tree plantation on the campus as well as off the campus.

2) Teachers using national knowledge network (NKN) ,NPTEL, NMEICT (National Mission of Education through ICT):

The college has provided LCD Projector which is being used for screening of the text based movies as well as for Power Point Presentations. . The department has a good collection of Text based Movies, PPT.

E) Students Support and progression:**1) Teachers performing Academic, Career, personal or Psychological counseling: Nil****2) Numbers and efforts taken for the placement of the students: Nil****3) Involvement of teachers in Skill, Communication and Personality Development of the students: NIL****F) Governance, Leadership and Management: Nil****16) Efforts of the Department to fulfill the Vision and Mission of the college:**

Mission “To make every individual responsible for sustain and save the Earth”

Vision “To sharpen the techniques, skills and knowledge about Geography among the students for global competency and sustainable development.”

Participation of the teachers in the various College committees:

Faculty member wise Committees

15. A) Curricular Aspect:**1) Does the feedback on the syllabus is taken from the Student/ Teacher/Alumni/ academic peers? If yes, Please specify:**

Every year a proper feedback is taken from the students about the subject teacher, curriculum and the infrastructural facilities. The feedback is analyzed by the head of the department as well as the principal of the college and accordingly proper action is taken by giving suggestions for the better performance on the part of the teacher. If some negative feedback is received about the curriculum the same is communicated to the university authority through the BOS members. The suggestions made by the students as far as enrichment programmes and infrastructural facilities are concerned are carried out by taking the appropriate action.

2) Whether the teaching plan of the department is prepared? If not, state the reason:

Yes. In order to carry out the teaching activity smoothly every teacher is provided with the academic calendar as well as teaching dairy and is asked to prepare course wise teaching plan. This helps in resulting into completion of the syllabus in time. Towards the end of each term the teacher is also asked to submit the syllabus completion report.

3) Add on, diploma course, remedial teaching performed in the department (Y/N), please specify: Nil**4) Number of invited lectures arranged in the Department**

It is a regular practice of the department to arrange few lectures of the teachers from the outside colleges. While inviting the teachers and allotting the topics the specialization of the teacher is taken into account. This helps to develop the interaction between the faculties as well as gives opportunities to the students to meet and interact with the teachers from outside colleges. Followings were some of the lectures arranged in the department

Sr.No.	Name of the Guest Lecturer	Name of the College	Topic dealt with	Dates
1	Dr. P.V.KOTME	K.T.H.M.College Nashik	Research paper writing	20/09/2017
2	Dr.SURESH KANADE	S.M.R.K. College Nashik.	Net- Set Guidance	11/01/2018

B) Teaching- Learning and Evaluation:

1) Efforts taken for mentoring the slow and advanced learners:

For the advanced learners special coaching about various examinations is given to the students. The department motivates such students for participating in various competitions as well as making presentations in the class. After that the thrust is given on the ICT based teaching. Personal guidance is provided if needed extra coaching classes are organized.

2) Teaching methods used other than lecture method:

Apart from the traditional lecture method and communicative and interactive methods to cope up with the age of Information Technology and Globalization, the department gives emphasis on the use of ICT in the teaching and learning process. Students centric teaching is done by most of the faculty members of the department. Students are given chances to deliver lectures on the occasion of celebration of 'Hindi Din', 'Teachers Day', Group discussions are carried out in the class, students are asked to perform some brief pieces from the play, novel and poetry on the stage.

3) E-learning methods used for teaching:

Since 21 Century is the century of IT and digital world, the department heavily makes use of E-learning methods for teaching. Some of the difficult topics are dealt by using PPTs. For the Postgraduate students power point presentation is made compulsory while giving seminars. Novels and Dramas are taught using the screening method. The department has around 20 text based movies in the form of soft copies. The Recreational Hall is used for screening the movies.

C) Research, Consultancy and Extension:

1) Collaboration of the department with, Local National, International organizations (if any): NIL

2) Linkages of the department with, Local National, International organizations (if any): Nil

2) Consultancies of the department (if any):

The faculty members of the department provide the consultancy in the field of proof reading & editing at free of cost.

3) Web pages, portal developed by teacher for the research activities: NIL

4) Participation of the teachers in the Extension activities: NIL

D) Infrastructure:**1) Efforts taken by the department for making green, eco-friendly college campus and waste management:**

Though the department has not organized any special campaign for making green, eco-friendly college campus, the students from the department actively participate in such rallies organized by the NSS, NCC units of the college. Apart from this the students from the department are always made aware about the waste management and are motivated to reuse the waste in proper way. There has been put ban on the use of plastic in the department, therefore students do not have to submit any documents in the plastic files rather they can simply submit the papers by putting stapler. On the occasion of celebration of various days students are motivated to give tree plants as a token of gift in place of other precious things. Such activities create awareness about tree plantation on the campus as well as off the campus.

2) Teachers using national knowledge network (NKN), NPTEL, NMEICT (National Mission of Education through ICT):

Following the National Mission of Education through ICT the department heavily uses ICT resources for teaching of Hindi Language as well as Literature. The college has provided LCD Projector which is being used for screening of the text based movies as well as for Power Point Presentations. The department has a good collection of Text based Movies, Audios of Poetry recitation and Power Point Presentations of the topics based the syllabuses.

E) Students Support and progression:**1) Teachers performing Academic, Career, personal or Psychological counseling:**

The students are counseled orally by the faculty members about the job opportunities as well about professional avenues available in the present market. A proper guidance is given by the faculty to the students about various academic activities and opportunities.

2) Numbers and efforts taken for the placement of the students: Nil**Placement from the Department List for the academic year 2018-19**

Sr. No.	Name of the students	Year	UG to PG	PG to M. Phil Ph. D	Placement/Employed

10. Ongoing and Completed Research Projects and Consultancies : NIL

11. Awards and recognition received during the year (Mention the dates of award and recognitions): NIL

12. Departmental efforts for quality enhancements in teaching, learning, evaluation, research etc.

Sr.No	Particulars
1	Use of ICT
2	PPT Making Guidance and PPT preparations from PG students
3	Seminar Presentations
4	Organized Competitions like: Essay, Elocution, Poetry recitation
5	Guided Students for the various competitions

13 . Academic Benchmarking of the Department/ Future Plan

Sr. No	Particulars
1	Going to start research Center for M.Phil and Ph.D. scholars
2	Organized a one day workshop on writing, reading etc skills

14. Infrastructure in the Department :

Sr. No.	Particulars	No. Of Items
1	Computer with 24 Hour Internet Facility	01
	Canon Printer	01
2	Cupboard	02
3	Chairs- Plastic	06
4	Chairs- Wooden	02
5	Computer Table	01
6	Tables	02
7	Notice Board	01
8	Intercom Facility	01
9	Selling Fan	01
10	Watch	01
11	Tube light	01
12	Book Shelf	01

15. Library Resources:

Sr. No	Particulars	Facility available
1	Central Library	YES
2	Departmental Library	YES
3	Books	YES
4	Text Based Movies	YES
5	Syllabus related PPTs	YES
6	Audio-Video resources	YES
7	Daily News Papers	YES

15. A) Curricular Aspect:

1) Does the feedback on the syllabus is taken from the Student/ Teacher/Alumni/ academic peers? If yes, Please specify: YES.

2) Whether the teaching plan of the department is prepared? If not, state the reason: YES.

3) Add on, diploma course, remedial teaching performed in the department (Y/N), please specify: No.

4) Number of invited lectures arranged in the Department: (Only for Academic Year 2017-18)

Sr. No.	Name of the Guest Lecturer	Name of the College	Topic dealt with	Dates
1	Hon. Sandeep Jagtap	Vani College, Nashik	Kavita aani Jagne	04/08/2017
2	Hon. Sanjay Kshirsagar	Akole, Ahmadnagar	Hastakshar Sudhar	12/08/2017
3	Hon. Sushilkumar Shinde	Award Winning famous Poet	Marathi Bhasha Din	27/02/2018

B) Teaching- Learning and Evaluation:

1) Efforts taken for mentoring the slow and advanced learners: Providing special guidance through the counseling.

2) Teaching methods used other than lecture method: PPT, ICT, discussion, Wikipedia, whats app group etc.

3) E-learning methods used for teaching: Nil

C) Research, Consultancy and Extension: Wrote and published some research papers in peer reviewed Journals having Impact Factor.

1) Collaboration of the department with, Local National, International organizations (if any): NIL

2) Linkages of the department with, Local National, International organizations (if any): NIL

- 3) Consultancies of the department (if any): NIL
- 4) Web pages, portal developed by teacher for the research activities: NIL
- 5) Participation of the teachers in the Extension activities: NIL

D) Infrastructure:

- 1) Efforts taken by the department for making green, eco-friendly college campus and waste management: NIL
- 2) Teachers using national knowledge network (NKN) ,NPTEL, NMEICT (National Mission of Education through ICT): NIL

E) Students Support and progression:

- 1) Teachers performing Academic, Career, personal or Psychological counseling: Yes
- 2) Numbers and efforts taken for the placement of the students: NIL
- 3) Involvement of teachers in Skill, Communication and Personality Development of the students: YES

F) Governance, Leadership and Management:

16) Efforts of the Department to fulfill the Vision and Mission of the college: YES

Participation of the teachers in the various College committees: YES

Faculty member wise Committees

15. A) Curricular Aspect:

1) Does the feedback on the syllabus is taken from the Student/ Teacher/Alumni/ academic peers? If yes, Please specify:

The Department take feedback from the students about the subject teacher, curriculum and the infrastructural facilities. The feedback is analyzed by the head of the department as well as the principal of the college and accordingly proper action is taken by giving suggestions for the better performance on the part of the teacher. The suggestions made by the students as far as enrichment programmes and infrastructural facilities are concerned are carried out by taking the appropriate action.

2) whether the teaching plan of the department is prepared? If not, state the reason :Yes..

3) Add on, diploma course, remedial teaching performed in the department (Y/N), Please specify :Nil

4) Number of invited lectures arranged in the Department:

B) Teaching- Learning and Evaluation:

1) Efforts taken for mentoring the slow and advanced learners:

For the advanced learners special coaching about various examinations is given to the students. The department motivates such students for participating in various competitions as well as making presentations in the class. The remedial teaching and crash course of other subject help to bridge up the gap between the slow learners and the advanced learners. After that the thrust is given on the ICT based teaching.

2) Teaching methods used other than lecture method:

The department gives emphasis on the use of ICT in the teaching and learning process, apart from the traditional lecture method and communicative and interactive methods. Students centric teaching is done by most of the faculty members of the department.

3) E-learning methods used for teaching:

The department has around 02 Documentaries in the form of soft copies. The Recreational Hall is used for screening the movies.

The department is seminar hall LCD Projector, which is widely used for show power point presentation and documentary,

This the century of IT and digital world, the department heavily makes use of E-learning methods for teaching. Some of the difficult topics are dealt by using PPTs

C) Research, Consultancy and Extension:

1) Collaboration of the department with, Local National, International organizations (if any):Nil

2) Linkages of the department with, Local National, International organizations (if any):Nil

3) Consultancies of the department (if any):Nil

4) Web pages, portal developed by teacher for the research activities: Nil

5) Participation of the teachers in the Extension activities: Nil

D) Infrastructure:

1) Efforts taken by the department for making green, eco-friendly college campus and waste management:

The department has not conducted any activity of green, ecofriendly college campus. Make an arrange of student involvement in rally organize by other department and NGO's

2) Teachers using national knowledge network (NKN) ,NPTEL, NMEICT (National Mission of Education through ICT):

The department has a good collection of documentary Movies and Power Point Presentations of the topics based the syllabuses. The department will arrange the ICT based Lecture for Students.

- Also department will help student to browse NKN for a high-speed backbone connectivity which will enable knowledge and information sharing Enabling collaborative research, development and Innovation through.

E) Students Support and progression:

1) Teachers performing Academic, Career, personal or Psychological counseling:

The students are counseled orally by the faculty members about the job opportunities . A proper guidance is given by the faculty to the students about various academic activities and opportunities.s

2) Numbers and efforts taken for the placement of the students:

1) Department make arrangement to take part in Career Guidance Lecture which is takeplace by college through competitive exam cell and student welfare committee.

3) Involvement of teachers in Skill, Communication and Personality Development of the students:Nil

F) Governance, Leadership and Management: Nil

B) Efforts of the Department to fulfill the Vision and Mission of the college:

Bring awareness about eco-consciousness and opposing social evils courageously, Develop balanced individuals with belief in unity, solidarity and secular nature of community for the student

2) Participation of the teachers in the various College committees:

Faculty member wise Committees

3	Text Based Movies	Nil
4	Syllabus related PPTs	20
5	Audio-Video resources (Documentary Film)	02
6	Daily News Papers	Nil

15. A) Curricular Aspect:**1) Does the feedback on the syllabus is taken from the Student/ Teacher/Alumni/ academic peers? If yes, Please specify:**

Every year a proper feedback is taken from the students about the subject teacher, curriculum and the infrastructural facilities. The feedback is analyzed by the head of the department as well as the principal of the college and accordingly proper action is taken by giving suggestions for the better performance on the part of the teacher. If some negative feedback is received about the curriculum the same is communicated to the university authority through the BOS members. The suggestions made by the students as far as enrichment programmers and infrastructural facilities are concerned are carried out by taking the appropriate action.

2) whether the teaching plan of the department is prepared? If not, state the reason :

Yes. In order to carry out the teaching activity smoothly every teacher is provided with the academic calendar as well as teaching dairy and is asked to prepare course wise teaching plan. This helps in resulting into completion of the syllabus in time. Towards the end of each term the teacher is also asked to submit the syllabus completion report.

3) Add on, diploma course, remedial teaching performed in the department (Y/N), Please specify : Nil**4) Number of invited lectures arranged in the Department:(Only for Academic Year 2016-17)**

It is a regular practice of the department to arrange few lectures of the teachers from the outside colleges. While inviting the teachers and allotting the topics the specialization of the teacher is taken into account. This helps to develop the interaction between the faculties as well as gives opportunities to the students to meet and interact with the teachers from outside colleges. Followings were some of the lectures arranged in the department.

B) Teaching- Learning and Evaluation:**1) Efforts taken for mentoring the slow and advanced learners:**

Continuous assessment during the classroom teaching by giving tutorial every chapter and asking questions on the previous class. So our department results are always good in the university examination.

For the advanced learners the department motivates such students for participating in various competitions as well as making presentations in the class. After that the thrust is given on the ICT based teaching.

2) Teaching methods used other than lecture method:

Apart from the traditional lecture method and communicative and interactive methods to cope up with the age of Information Technology and Globalization, the department gives emphasis on the use of ICT in the teaching and learning process. Student's centric teaching is done by the faculty members of the department. Students are given chances to deliver lectures on the occasion of celebration of Teachers Day. Group discussions are carried out in the class. Use of Psychological Laboratory For Research, various Psychological Practical & Tests.

3) E-learning methods used for teaching:

Since 21 Century is the century of IT and digital world, the department heavily makes use of E-learning methods for teaching. Some of the difficult topics are dealt by using PPTs. The department has documentary film in the form of soft copies. The Recreational Hall and Economics department is used for screening the movies. Since the department has Psychological Laboratory, it is regularly used for teaching of various Psychological Practical & Tests.

C) Research, Consultancy and Extension:**1) Collaboration of the department with, Local National, International organizations (if any): Nil****2) Linkages of the department with, Local National, International organizations (if any): Nil****3) Consultancies of the department (if any):**

All counselling facilities are at free of cost.

- There are Various type of Counseling Facility in our Dept. for College Students and stakeholders . For example family, Educational, Personal, carrier Counseling etc.
- The Students of Janta High School, CIDCO are guided on Value Education from time to time and
- Counseling of other students of various schools is also taking Psychological Tests.

4) Web pages, portal developed by teacher for the research activities: Nil

5) Participation of the teachers in the Extension activities:

DR. Gosavi S. R.

- 1) Works as a Counselor for college students
- 2) Life Membership of Indian Applied Association of Psychology (IAAP -National Level)
- 3) Life Membership of Marathi Manasshashra Parishad
- 4) Worked as a external examiner of practical examinations
- 5) Worked as a Paper setter and examiner for SP Pune University Exam as well as College Exam.

Ms. Padvi S. M.

- 6) Works as a Counselor for college students
- 7) Worked as a internal examiner of practical examinations
- 8) Worked as a Paper setter and examiner for College Exam.

D) Infrastructure:

1) Efforts taken by the department for making green, eco-friendly college campus and waste management:

Though the department has not organized any special campaign for making green, eco-friendly college campus, the students from the department actively participate in such rallies organized by the NSS, NCC units of the college. Apart from this the students from the department are always made aware about the waste management and are motivated to reuse the waste in proper way. There has been put ban on the use of plastic in the department, therefore students do not have to submit any documents in the plastic files rather they can simply submit the papers by putting stapler. On the occasion of celebration of various days students are motivated to give tree plants as a token of gift in place of other precious things. Such activities create awareness about tree plantation on the campus as well as off the campus.

2) Teachers using national knowledge network (NKN) ,NPTEL, NMEICT (National Mission of Education through ICT):

Following the National Mission of Education through ICT the department heavily uses ICT resources for teaching of Psychology. The department has good collection of documentary films as well as for Power Point Presentations. The department has established a Psychological Lab for teaching of practical and Tests. The department has a Power Point Presentations of the topics based the syllabuses.

E) Students Support and progression: NIL**1) Teachers performing Academic, Career, personal or Psychological counselling:**

The students are counselled orally by the faculty members about the job opportunities as well about professional avenues available in the present market. A proper guidance is given by the faculty to the students about various academic activities and opportunities.

2) Numbers and efforts taken for the placement of the students: NIL**3) Involvement of teachers in Skill, Communication and Personality Development of the students: Nil****F) Governance, Leadership and Management: Nil****G) Efforts of the Department to fulfil the Vision and Mission of the college:**

The Department of Psychology is one of the leading department of the College. The department undertakes various activities for the students to fulfil the vision of the college. The Department helps the students to develop according to the needs of global academic standard .The department organized an interdisciplinary National Seminar for giving opportunity to the students to present them at National level.Following the National Mission of Education through ICT the department heavily uses ICT resources for teaching of Psychology. The students are counselled orally by the faculty members about their problems therefore students are always mentally healthy.

16) Participation of the teachers in the various College committees:**Faculty member wise Committees**

Sr.No.	Name of the Faculty	Name of the Committee	Chairman/Member
1.	Dr. Gosavi S. R.	Counselling Cell	Chairman
		Women Development Cell	Chairman
		PUCTO at college Level	Member

15. A) Curricular Aspect:**1) Does the feedback on the syllabus is taken from the Student/ Teacher/Alumni/ academic peers? If yes, Please specify:**

Every year a proper feedback is taken from the students about the subject teacher, curriculum and the infrastructural facilities. The feedback is analyzed by the head of the department as well as the principal of the college and accordingly proper action is taken by giving suggestions for the better performance on the part of the teacher. If some negative feedback is received about the curriculum the same is communicated to the university

authority through the BOS members. The suggestions made by the students as far as enrichment programme and infrastructural facilities are concerned are carried out by taking the appropriate action.

2) Whether the teaching plan of the department is prepared? If not, state the reason :

Yes. In order to carry out the teaching activity smoothly every teacher is provided with the academic calendar as well as teaching dairy and is asked to prepare course wise teaching plan. This helps in resulting into completion of the syllabus in time. Towards the end of each term the teacher is also asked to submit the syllabus completion report.

3) Add on, diploma course, remedial teaching performed in the department: Yes

Every year the department conducts the course on Remedial Teaching for the slow learners. This helps in bridging the gap between the slow learners and the advanced learners. Around 10 to 15 days course is conducted for which the department has good a good response and feedback. This helped in improving the results of the department.

4) Number of invited lectures arranged in the Department:

It is a regular practice of the department to arrange few lectures of the teachers from the outside colleges. While inviting the teachers and allotting the topics the specialization of the teacher is taken into account. This helps to develop the interaction between the faculties as well as gives opportunities to the students to meet and interact with the teachers from outside colleges. Followings were some of the lectures arranged in the department.

Sr.No.	Name of the Guest Lecturer	Topic dealt with	Dates
01	Dr. U. K. Sharma, Managing Director ,Green Mantras Pvt. Ltd.	Changing global scenario of industry and business.	30 th August 2017

B) Teaching- Learning and Evaluation:

1) Efforts taken for mentoring the slow and advanced learners:

- Remedial Teaching
- Extra internal examination for practice
- Home assignment
- Questions Banks
- Tutorials
- ICT based teaching
- Guest lectures
- Continuous evaluation

2) Teaching methods used other than lecture method:

- Traditional lecture method
- Communicative and interactive methods
- ICT in the teaching and learning process.
- Students centric teaching

3) E-learning methods used for teaching:

Use of PPTs, Seminars, LCD Projector, Smart board, TV, Softwares

C) Research, Consultancy and Extension:

1) Collaboration of the department with, Local National, International organizations (if any): Nil

2) Linkages of the department with, Local National, International organizations (if any): Nil

3) Consultancies of the department (if any):

The faculty members of the department provide the consultancy in the field of Account Writing to Self Help Groups. Marketing and Harvesting of Grapes.

3) Web pages, portal developed by teacher for the research activities: Nil

4) Participation of the teachers in the Extension activities:

- Approved counselor of YCMOU: Dr. A.K.Shinde, Ms. Jadhav R.P and Ms. Pawar N.K

D) Infrastructure:

1) Efforts taken by the department for making green, eco-friendly college campus and waste management:

The students from the department are always made aware about the waste management and are motivated to reuse the waste in proper way. There has been put ban on the use of plastic in the department, therefore students do not have to submit any documents in the plastic files rather they can simply submit the papers by putting stapler. On the occasion of celebration of various days students are motivated to give tree plants as a token of gift in place of other precious things. Such activities create awareness about tree plantation on the campus as well as off the campus.

2) Teachers using national knowledge network (NKN) ,NPTEL, NMEICT (National Mission of Education through ICT):

Following the National Mission of Education through ICT the department heavily uses ICT resources for teaching of Commerce . The college has provided LCD Projector which is being used for Power Point Presentations. The department has established a Commerce Lab for teaching of Management skills. The department has Power Point Presentations of the topics based the syllabuses.

E) Students Support and progression:**1) Teachers performing Academic, Career, personal or Psychological counseling:**

The students are counseled orally by the faculty members about the job opportunities as well about professional avenues available in the present market. A proper guidance is given by the faculty to the students about various academic activities and opportunities.

2) Numbers and efforts taken for the placement of the students: NIL**3) Involvement of teachers in Skill, Communication and Personality Development of the students:**

- Ms. N.K.Pawar is the Member of the Soft Skills Development Programme. Two batches of around 60 students are conducted every year.
- Apart from this Dr.A.K.Shinde and Ms.S.S.Patil have delivered lectures in various colleges under Soft Skills Development Programme.
- Ms.CA T.G.Deore has delivered lectures on Stress Management & Communication Skills for Commerce Students at Different Colleges.
- For Post Graduate Courses under Skill Development Programmes, the faculties from the department contribute in taking the syllabus related to communication Skills.

F) Governance, Leadership and Management:**G) Efforts of the Department to fulfill the Vision and Mission of the college:**

Vision: College would be preferred source of Human Resource Locally & Nationally.

To fulfill the vision of the college, the department conducts the lectures from various experts in the different faculties. The department also arranges the industrial visit, soft skill programs, cyber security awareness among the students from the expertise.

Mission: Let us utilize commercial knowledge for vocation

The department helps and guides the students from PG level for preparation of Projects on the topics related to administration. It also provides the Tally.ERP9 training to the students to acquaint the practical knowledge of accounting & its writing concepts

2) Participation of the teachers in the various College committees:

Faculty member wise Committees

Sr. No.	Name of the Faculty	Name of the Committee	Chairman/ Member

15. A) Curricular Aspect:

1) Does the feedback on the syllabus is taken from the Student/ Teacher/Alumni/ academic peers? If yes, Please specify:

Every year a proper feedback is taken from the students about the subject teacher, curriculum and the infrastructural facilities. The feedback is analyzed by the head of the department as well as the principal of the college and accordingly proper action is taken by giving suggestions for the better performance on the part of the teacher. If some negative feedback is received about the curriculum the same is communicated to the university authority through the BOS members. The suggestions made by the students as far as enrichment programmes and infrastructural facilities are concerned are carried out by taking the appropriate action.

2) Whether the teaching plan of the department is prepared? If not, state the reason :

Yes. In order to carry out the teaching activity smoothly every teacher is provided with the academic calendar as well as teaching dairy and is asked to prepare course wise teaching plan. This helps in resulting into completion of the syllabus in time. Towards the end of each term the teacher is also asked to submit the syllabus completion report.

3) Add on, diploma course, remedial teaching performed in the department (Y/N), Please specify :

Every year the department conducts the course on Remedial Teaching for the slow learners. This helps in bridging the gap between the slow learners and the advanced learners. . This helped in improving the results of the department.

4) Number of invited lectures arranged in the Department:

It is a regular practice of the department to arrange few lectures of the teachers from the outside colleges. While inviting the teachers and allotting the topics the specialization of the teacher is taken into account. This helps to develop the interaction between the faculties as well as gives opportunities to the students to meet and interact with the teachers from outside colleges. Followings were some of the lectures arranged in the department.

B) Teaching- Learning and Evaluation:

1) Efforts taken for mentoring the slow and advanced learners:

For monitoring the slow learners the department conducts a batch of Remedial Teaching is conducted for the students who fail to score good marks in the internal examinations. As a result of this, students score good marks in the university examination.

For the advanced learners special coaching about various examinations is given to the students. The remedial teaching help to bridge up the gap between the slow learners and the advanced learners. After that the thrust is given on the ICT based teaching.

2) Teaching methods used other than lecture method:

Apart from the traditional lecture method and communicative and interactive methods to cope up with the age of Information Technology and Globalization, the department gives emphasis on the use of ICT in the teaching and learning process. Students centric teaching is done by most of the faculty members of the department. Students are given chances to deliver lectures on the occasion of celebration of Teachers Day. Group discussions are carried out in the class, students are asked to perform some brief pieces from the play, novel and poetry on the stage.

3) E-learning methods used for teaching:

Since 21 Century is the century of IT and digital world, the department heavily makes use of E-learning methods for teaching. Some of the difficult topics are dealt by using PPTs. For UG students power point presentation is made compulsory while giving seminars.

The department is provided with LCD Projector, which is widely used for making power point presentation.

C) Research, Consultancy and Extension:

1) Collaboration of the department with, Local National, International organizations (if any): NIL

2) Linkages of the department with, Local National, International organizations (if any):

The department of Botany has established linkages with K.T.H.M.College,Resarch laboratory for research. Faculty member Mr.K.M.Khalker has working in his Ph.D.from Oct.2013.

Consultancies of the department (if any):Nil

The faculty members of the department provide the consultancy in the field of agriculture for nearer villages at free of cost.

3) Web pages, portal developed by teacher for the research activities: NIL**4) Participation of the teachers in the Extension activities:****D) Infrastructure:****1) Efforts taken by the department for making green, eco-friendly college campus and waste management:**

Though the department has organized special programme for tree plantation Campaign for making green, eco-friendly college campus, the students from the department actively participate in such programme, rallies organized by the NSS, NCC units of the college. Apart from this the students from the department are always made aware about the waste management and are motivated to reuse the waste in proper way. There has been put ban on the use of plastic in the department, therefore students do not have to submit any documents in the plastic files rather they can simply submit the papers by putting stapler. On the occasion of celebration of various days students are motivated to give tree plants as a token of gift in place of other precious things. Such activities create awareness about tree plantation on the campus as well as off the campus.

2) Teachers using national knowledge network (NKN) ,NPTEL, NMEICT (National Mission of Education through ICT):

Following the National Mission of Education through ICT the department heavily uses ICT resources for teaching of Botany . The college has provided LCD Projector which is being used for Power Point Presentations. The department has well established a Lab for teaching department has a good collection of Text books & reference books as well as Power Point Presentations of practicals based the syllabuses.

E) Students Support and progression:**1) Teachers performing Academic, Career, personal or Psychological counseling:**

The students are counseled orally by the faculty members about the job opportunities as well about professional avenues available in the present market. A proper guidance is given by the faculty to the students about various academic activities and opportunities.

2) Numbers and efforts taken for the placement of the students.Nil

3) Involvement of teachers in Skill, Communication and Personality Development of the students: Under student welfare board Mr.K.M.Khalder organized one day workshop on Personality Development, competitive exam., Nirbhy Kannya Abhiyan, Special guidance scheme, Giriyarohan shibir etc every year,

F) Governance, Leadership and Management: Dr.D.F.Nikumbh worked as a chairman of Science Exhibition, Member Examination Committee, Member IQAC etc.

B) Efforts of the Department to fulfill the Vision and Mission of the college. Yes , We Always try to develop our department overall for insuring a conducive environment for Teaching Learning & Research.

16) Participation of the teachers in the various College committees:**Faculty member wise Committees**

Sr. No.	Name of the Faculty	Name of the Committee	Chairman/ Member

8. Seminar/ Conferences/ Workshops Attended/Participated / Paper presentation by the faculty of the Department (only number)
9. Involvement of the teachers in various activities (Mention only the no. of activities)
10. Ongoing and Completed Research Projects and Consultancies:Nil
11. Awards and recognition received during the year (Mention the dates of award and recognitions): Nil

12. Departmental efforts for quality enhancements in teaching, learning, evaluation, research etc.

Sr.No	Particulars
1	Department gives the project work to M. Sc II student for its future benefits

13 . Academic Benchmarking of the Department/ Future Plan

Sr.No	Particulars
1	To start M. Sc Analytical Chemistry
2	To start diploma in wine technology under B. Voc.

- 14. Infrastructure in the Department :** 1)Two Laboratories
 2) Two Computers
 3) One Printer
 4) Instruments for Practicals

15. Library Resources:

Sr. No	Particulars	Facility available
1	Central Library	Yes
2	Departmental Library	Yes
3	Books	Yes
4	Text Based Movies	Yes
5	Syllabus related PPTs	Yes
6	Audio-Video resources	Yes
7	Daily News Papers	Yes

15. A) Curricular Aspect:

1) Does the feedback on the syllabus is taken from the Student/ Teacher/Alumni/ academic peers? If yes, Please specify:

2) Whether the teaching plan of the department is prepared? If not, state the reason:

3) Add on, diploma course, remedial teaching performed in the department (Y/N), please specify: Yes, Remedial Teaching

4) Number of invited lectures arranged in the Department: (Only for Academic Year 2017-18)

Sr.No.	Name of the Guest Lecturer	Name of the College	Topic dealt with	Dates
1	Dr. T. S. Dalvi	KTHM College, Nashik		

16) Teaching- Learning and Evaluation:

1) Efforts taken for mentoring the slow and advanced learners: No of lectures are engaged for slow learners

2) Teaching methods used other than lecture method: Demonstrations and ICT tools are used for teaching

3) E-learning methods used for teaching: ICT, PPT Presentations are used

C) Research, Consultancy and Extension:

1) Collaboration of the department with, Local National, International organizations (if any): Nil

2) Linkages of the department with, Local National, International organizations (if any): Nil

2) Consultancies of the department (if any): Nil

3) Web pages, portal developed by teacher for the research activities: Nil

D) Infrastructure:

- 1) Efforts taken by the department for making green, eco-friendly college campus and waste management:
- 2) Teachers using national knowledge network (NKN), NPTEL, NMEICT (National Mission of Education through ICT):

E) Students Support and progression:

- 1) Teachers performing Academic, Career, personal or Psychological counseling:
- 2) Numbers and efforts taken for the placement of the students:

3) Involvement of teachers in Skill, Communication and Personality Development of the students:

F) Governance, Leadership and Management:

G) Efforts of the Department to fulfill the Vision and Mission of the college:

16) Participation of the teachers in the various College committees:

Faculty member wise Committees

Sr. No.	Name of the Faculty	Name of the Committee	Chairman/ Member
1.	Dr. S. K. Kushare	Member of Tea Club Committee	Member
2.	Dr. Smt. N. P. Nikam	Chairperson of college PUCTO unit Member of college NAAC Committee	Member
3	Dr. B. P. Pagar	Member of examination Committee	Member
4	Dr. Smt. R. B. Patil	Member of college placement cell	Member

17) Innovative Practices:

Please mention at least two best practices of the department which are beneficial for the students, stakeholders and community:

- Screening of the Text Based Movies
- Running a Crash Course for slow learners

	Departmental Library	Departmental Library Ref Books - 50 Text Books - 40
2	Books	--
3	Text Based Movies	--
4	Syllabus related PPTs	Total: 20 subjects
5	Audio-Video resources	25
6	Daily News Papers	--

15. A) Curricular Aspect:**1) Does the feedback on the syllabus is taken from the Student/ Teacher/Alumni/ academic peers? If yes, Please specify:**

- Every year a proper feedback is taken from the students about the subject teacher, curriculum and the infrastructural facilities.
- The feedback is analyzed by the head of the department as well as the principal of the college and accordingly proper action is taken by giving suggestions for the better performance on the part of the teacher.
- If some negative feedback is received about the curriculum the same is communicated to the university authority through the BOS members.
- The suggestions made by the students as far as enrichment programmes and infrastructural facilities are concerned are carried out by taking the appropriate action.

2) Whether the teaching plan of the department is prepared? If not, state the reason :

- In order to carry out the teaching activity smoothly every teacher is provided with the academic calendar as well as teaching dairy and is asked to prepare course wise teaching plan.
- This helps in resulting into completion of the syllabus in time.
- Towards the end of each term the teacher is also asked to submit the syllabus completion report.

3) Add on, diploma course, remedial teaching performed in the department (Y/N), Please specify :

- Every year the department conducts Remedial Teaching for the slow learners.
- This helps in bridging the gap between the slow learners and the advanced learners.

4) Number of invited lectures arranged in the Department:

It is a regular practice of the department to arrange seminars of the renowned persons from various IT sectors.

This helps to develop the interaction between the students and IT experts to know industry needs and job opportunities in addition to academic syllabus.

Sr.No.	Name of the Guest Lecturer	Name of the College	Topic dealt with	Dates
1	Rakesh Deshmukh	Softwings IT Solutions	Latest frameworks and future opportunities in these frameworks	09/12/2017
2	Ravindra More	Master Infocom, Nashik	Carrer Development	09/12/2017
3	Rupa Shewale		Career Apportunities in USA for Comp. Sci. Students	26/12/2017
4	Sudhir Gorade	Sumago Infotech	Web designing and devlopment	09/01/2018
5	Sandeep Patil	KT infotech	7 days workshop on 'Web design and Development'	08/02/2018 to 16/02/2018
6	Mrs Vaishali Nikam	Bhonsala Military College, Nashik	MCA entrance exam guidance	26/02/2018
7	Yogita Phaphale	Technocraft training and solutions Pvt ltd, Nashik	Joomala Framework	28/02/2018

B) Teaching- Learning and Evaluation:

1) Efforts taken for mentoring the slow and advanced learners:

- For slow learners the department conducts Remedial Teaching. As a result of this, slow learners are motivated, become confidant and encouraged for learning.
- For the advanced learners special guidance about various examinations is given to the students.
- The department motivates such students for participating in various competitions as well as making presentations in the class.
- The remedial teaching help to bridge up the gap between the slow learners and the advanced learners.

2) Teaching methods used other than lecture method:

- Apart from the traditional lecture method and communicative and interactive methods to cope up with the age of Information Technology and Globalization, the department gives emphasis on the use of ICT in the teaching and learning process.
- Students are given chances to deliver lectures on the occasion of celebration of Teachers Day.
- Group discussions are carried out in the class.

3) E-learning methods used for teaching:

- Since 21 Century is the century of IT and digital world, the department heavily makes use of E-learning methods for teaching. some of the difficult topics are dealt by using PPTs and animated videos.
- For the Postgraduate students power point presentation is made compulsory while giving seminars.

C) Research, Consultancy and Extension:

- 1) Collaboration of the department with, Local National, International organizations (if any):
- 2) Linkages of the department with, Local National, International organizations (if any):
- 2) Consultancies of the department (if any):
- 3) Web pages, portal developed by teacher for the research activities:
- 4) Participation of the teachers in the Extension activities:

D) Infrastructure:

1) Efforts taken by the department for making green, eco-friendly college campus and waste management:

Every year all the students of second and third year B. Sc. Computer Science participate in NSS. The students from the department actively participate in rallies organized by the NSS units of the college. These rallies includes Save trees, Aids awareness , save girl child, run for health , road safety etc. Apart from this the students from the department are always made aware about the waste management. On the occasion of celebration of various days students are motivated to give tree plants as a token of gift in place of other precious things.

2) Teachers using national knowledge network (NKN) ,NPTEL, NMEICT (National Mission of Education through ICT):

Department has Laboratory facility with interactive board. ICT teaching and learning facility is available for the students to make student centric education. Department has library to encourage students for reading. Library has reference and text books. Inlibnet facility is provided to every teacher of the department to make use of E-material.

E) Students Support and progression:

1) Teachers performing Academic, Career, personal or Psychological counseling:

Faculty members provide guidance to the students at the time of first year admission. The students are counseled orally about importance of course and job opportunities after course completion. Department provide guidance to students to participate in various academic activities.

2) Numbers and efforts taken for the placement of the students: NIL

Sr.No.	Name of the Student	Designation and Organization
1	Deshmukh Manjusha Diliprao	Software Developer ,Better Technology Labs
2	Sawant Mahesh Ganpat	Associate Manager ,Allstate solutions Pvt . Ltd
3	Shirsath Aashlesha Kailas	Web Designer ,Digital Spirit

3) Involvement of teachers in Skill, Communication and Personality Development of the students:

M A, M Com and M Sc classes have Skill Development Programme of 10 credits. The faculty members of the department contribute in taking the lectures of 4 credits course 'Cyber security'.

F) Governance, Leadership and Management: NIL

16) Efforts of the Department to fulfill the Vision and Mission of the college:

To fulfil Vision and Mission Statement, department organizes seminars and workshops of eminent persons from various IT industries. All faculty members focus on ICT teaching and learning facilities for UG and PG students. Motivate students to develop industrial training projects on recent need of the Industry.

Participation of the teachers in the various College committees:

Faculty member wise Committees

Every year a proper feedback is taken from the students about the subject teacher, curriculum and the infrastructural facilities. The feedback is analyzed by the head of the department as well as the principal of the college and accordingly proper action is taken by giving suggestions for the better performance on the part of the teacher. If some negative feedback is received about the curriculum the same is communicated to the university authority through the BOS members. The suggestions made by the students as far as enrichment programmes and infrastructural facilities are concerned are carried out by taking the appropriate action.

2) Whether the teaching plan of the department is prepared? If not, state the reason :

Yes. In order to carry out the teaching activity smoothly every teacher is provided with the academic calendar as well as teaching dairy and is asked to prepare course wise teaching plan. This helps in resulting into completion of the syllabus in time. Towards the end of each term the teacher is also asked to submit the syllabus completion report.

3) Add on, diploma course, remedial teaching performed in the department (Y/N), Please specify :

Every year the department conducts the course on Remedial Teaching for the slow learners. This helps in bridging the gap between the slow learners and the advanced learners. Around 10 to 15 days course is conducted for which the department has good a good response and feedback. This helped in improving the results of the department.

4) Number of invited lectures arranged in the Department: (Only for Academic Year 2018-19)

It is a regular practice of the department to arrange few lectures of the teachers from the outside colleges. While inviting the teachers and allotting the topics the specialization of the teacher is taken into account. This helps to develop the interaction between the faculties as well as gives opportunities to the students to meet and interact with the teachers from outside colleges. Followings were some of the lectures arranged in the department.

Sr.No.	Name of the Guest Lecturer	Name of the College	Topic dealt with	Dates
1.	Dr.D.P.Patil	K.K.W College,pimpalgaon(B)	Competitive math	22/012/2017

B) Teaching- Learning and Evaluation:

1) Efforts taken for mentoring the slow and advanced learners:

For mentoring the slow learners the department conducts a batch of Remedial Teaching as well as a crash course is conducted for the students who fail to score good marks in the internal examinations. As a result of this, students score good marks in the university examination.

For the advanced learners special coaching about various examinations is given to the students. The department motivates such students for participating in various competitions as well as making presentations in the class. The remedial teaching and crash course help to bridge up the gap between the slow learners and the advanced learners. After that the thrust is given on the ICT based teaching.

2) Teaching methods used other than lecture method:

Apart from the traditional lecture method and communicative and interactive methods to cope up with the age of Information Technology and Globalization, the department gives emphasis on the use of ICT in the teaching and learning process. Students centric teaching is done by most of the faculty members of the department. Students are given chances to deliver lectures on the occasion of celebration of Teachers Day. Group discussions are carried out in the class, students gave seminar on various topic .

3) E-learning methods used for teaching:

Since 21 Century is the century of IT and digital world, the department makes use of E-learning methods for teaching. Some of the difficult topics are dealt by using PPTs.

C) Research, Consultancy and Extension:

1) Collaboration of the department with, Local National, International organizations (if any): NIL

2) Linkages of the department with, Local National, International organizations (if any): NIL

2) Consultancies of the department (if any): NIL

3) Web pages, portal developed by teacher for the research activities: NIL

4) Participation of the teachers in the Extension activities:

D) Infrastructure:

1) Efforts taken by the department for making green, eco-friendly college campus and waste management:

Though the department has not organized any special campaign for making green, eco-friendly college campus, the students from the department actively participate in such rallies organized by the NSS, NCC units of the college. Apart from this the students from the department are always made aware about the waste management and are motivated to reuse the waste in proper way. There has been put ban on the use of plastic in the department, therefore students do not have to submit any documents in the plastic files rather they can simply submit the papers by putting stapler. On the occasion of celebration of various days students are motivated to give tree plants as a token of gift in place of other precious things. Such activities create awareness about tree plantation on the campus as well as off the campus.

2) Teachers using national knowledge network (NKN) ,NPTEL, NMEICT (National Mission of Education through ICT): NIL

E) Students Support and progression:

1) Teachers performing Academic, Career, personal or Psychological counseling:

The students are counseled orally by the faculty members about the job opportunities as well about professional avenues available in the present market. A proper guidance is given by the faculty to the students about various academic activities and opportunities.

2) Numbers and efforts taken for the placement of the students: NIL

3) Involvement of teachers in Skill, Communication and Personality Development of the students: NIL

F) Governance, Leadership and Management: NIL

16) Efforts of the Department to fulfill the Vision and Mission of the college:

- To become valuable resource for industry & society
- To encourage student to develop problem solving abilities which transcend the confines of the field of Mathematics & Statistics

Participation of the teachers in the various College committees:

Faculty member wise Committees

Sr. No.	Name of the Faculty	Name of the Committee	Chairman/ Member
1.	Prof.S.T.Ghule	Exam Department	C.E.O
		Staff Academy	Secretary
2.	Ms.L.R.Vishwakarma	Cultural Pakkala Mehandi	Member
3.	Ms.B.S.Kale	Cultural Health Check- up Soft Skill Development	Member Member Member

17) Innovative Practices:

Please mention at least two best practices of the department which are beneficial for the students, stakeholders and community:

- Assignments of Previous Question paper
- Seminars
- Group Discussion

Vortex mixer 6. Rotary Shaker 8. Hot Air Oven 10. Colorimeter 12. Gerber's Centrifuge 14. Electrophoresis Unit 16. Spectrophotometer 18. Inoculation Chamber 20. Vacuum pump 22. Ultra scope </div> </div>

15. Library Resources:

Sr. No	Particulars	Facility available
1	Central Library	Text Books- 70, Reference Books- 172, Journals- 08, e-Books-362
2	Departmental Library	40
3	Books (Text books + Reference Books)	242
4	Text Based Movies	-
5	Syllabus related PPTs	20
6	Audio-Video resources	Yes
7	Daily News Papers	Yes

15. A) Curricular Aspect:

1) Does the feedback on the syllabus is taken from the Student/ Teacher/Alumni/ academic peers?

- YES

2) Whether the teaching plan of the department is prepared?

- YES

3) Add on, diploma course, remedial teaching performed in the department (Y/N), please specify: Y

4) Number of invited lectures arranged in the Department: NIL

B) Teaching- Learning and Evaluation:

1) Efforts taken for mentoring the slow and advanced learners:

Remedial Teaching for slow learners
Personal attention is given to advanced learners by providing them research papers and reference books

2) Teaching methods used other than lecture method:

ICT based teaching , Group discussion, Demonstrative, Practical based and Interactive teaching

3) E-learning methods used for teaching:

Journals (e-journal), books (e-book) , webpages, videos. Animations , NPTEL, PPT, INFLIBNET etc.

C) Research, Consultancy and Extension:

1) Collaboration of the department with, Local National, International organizations (if any):

Sr. No.	Name of the department	Nature of collaboration	Name of the partnering institution/ industry /research lab	Date
1	Microbiology	Linkage	Research Laboratory, K.T.H.M. College, Nashik	5/12/2016 to 5/12/2021

Organisation	Date of MoU signed	Purpose and Activities	Number of students/teachers participated under MoUs
Alligo Agrovet Pvt. Ltd.	19-05-2015	Permission for industrial training, visit to student	-
Varun Agro Processing Foods Pvt. Ltd.	19-05-2015	Permission for industrial training	-
Sahyadri Farmers Producer Company	19-05-2015	Permission for industrial training	-

2) Consultancies of the department (if any): NIL

D) Infrastructure:**1) Efforts taken by the department for making green, eco-friendly college campus and waste management-**

- To create environmental awareness among the students second year student were given different projects like biodiversity study, study of polluted sites of the city.
- Every year Green Audit is conducted by IQAC of the college.
- Every year Energy Audit is conducted by IQAC of the college.
- For proper disposal solid waste of the college is segregated into three fractions - Biodegradable, Non biodegradable & e-waste.
- Plastic bags are prohibited in the college campus.

2) Teachers using national knowledge network (NKN) ,NPTEL, NMEICT (National Mission of Education through ICT): 03**E) Students Support and progression:****1) Teachers performing Academic, Career, personal or Psychological counseling: 03****2) Numbers and efforts taken for the placement of the students:**

A) Career guidance for competitive examinations at Dr. Vasantao Pawar Hall, K.S.K.W.CIDCO College, Nashik.

Placement from the Department- List for the academic year 2017-18

Sr. No.	Name of the Student	E mail Id	Name of the organization/institute	Position

10. Ongoing and Completed Research Projects and Consultancies : NIL

11. Awards and recognition received during the year (Mention the dates of award and recognitions) NIL

12. Departmental efforts for quality enhancements in teaching, learning, evaluation, research etc.

Sr.No	Particulars
1	ICT Enabled teaching
2	Study Tour / Industrial Visit
3	E-Learning interactive teaching
4	Class room discussion methodology
5	Seminars
6	Assignment
7	Use of Charts and Models
8	Chalk and Talk Method

13 . Academic Benchmarking of the Department/ Future Plan

Sr.No	Particulars
	Future Plans
1	To receive major /minor research project
2	To arrange lectures of senior visiting faculty
3	To increase students strength of the department

14. Infrastructure in the Department :

- A. Laboratory for practical
- B. Darkroom
- C. Staff room

15. Library Resources:

Sr. No	Particulars	Facility available
1	Central Library	Text Books- 60, Reference Books-20, Journals- 05, Daily News Papers- 08
2	Departmental Library	Text Books-05, Reference Books-16, Journals- Nil, Syllabus related PPTs- 14, Audio-Video resources-40 NPTEL Videos (many)
3	Syllabus related PPTs	NPTEL video lectures

15. A) Curricular Aspect:**1) Does the feedback on the syllabus is taken from the Student/ Teacher/Alumni/ academic peers? If yes, Please specify:**

Every year a proper feedback is taken from the students about the subject teacher, curriculum and the infrastructural facilities. The feedback is analyzed by the head of the department as well as the principal of the college and accordingly proper action is taken by giving suggestions for the better performance on the part of the teacher. If some negative feedback is received about the curriculum the same is communicated to the university authority through the BOS members. The suggestions made by the students as far as enrichment programmes and infrastructural facilities are concerned are carried out by taking the appropriate action.

2) Whether the teaching plan of the department is prepared? If not, state the reason :

Yes. In order to carry out the teaching activity smoothly every teacher is provided with the academic calendar as well as teaching diary and is asked to prepare course wise teaching plan. This helps in resulting into completion of the syllabus in time. Towards the end of each term the teacher is also asked to submit the syllabus completion report.

3) Add on, diploma course, remedial teaching performed in the department (Y/N), please specify:

Slow learners are guided for all sorts of difficulties academic as well as personal level. This helps in improving the results of the department

4) Number of invited lectures arranged in the Department: (Only for Academic Year 2017-18) NIL**B) Teaching- Learning and Evaluation:****1) Efforts taken for mentoring the slow and advanced learners:**

Slow learners are guided for all sorts of difficulties academic as well as personal level. This helps in improving the results of the department. As a result of this, students score good marks in the university examination.

For the advanced learners special coaching about various examinations is given to the students. The department motivates such students for participating in various competitions as well as making presentations in the class. This helps to bridge up the gap between the slow learners and the advanced learners. After that the thrust is given on the ICT based teaching.

2) Teaching methods used other than lecture method:

Apart from the traditional lecture method and communicative and interactive methods to cope up with the age of Information Technology and Globalization, the department gives emphasis on the use of ICT in the teaching and learning process. Students centric teaching is done by most of the faculty members of the department. Students are given Seminars. Group discussions are carried out in the class, students are asked to do individual practical work

3) E-learning methods used for teaching:

Since 21 Century is the century of IT and digital world, the department heavily makes use of E-learning methods for teaching. Some of the difficult topics are dealt by using PPTs. For the Last Year graduate students as well as for postgraduate students power point presentation is made compulsory while giving seminars.

Since the department has Laboratory with reach components as well as equipments, it is regularly used for teaching. The department is provided with LCD Projector, which is widely used for making power point presentation.

C) Research, Consultancy and Extension:

1) Collaboration of the department with, Local National, International organizations (if any): NIL

2) Linkages of the department with, Local National, International organizations (if any): NIL

2) Consultancies of the department (if any): NIL

3) Web pages, portal developed by teacher for the research activities: NIL

4) Participation of the teachers in the Extension activities:

A. Organizing member for MVP's National level Elocution competition-2019

B. Pilot for MVP's Marathon-2019

D) Infrastructure:**1) Efforts taken by the department for making green, eco-friendly college campus and waste management:**

Perishable, and semi-perishable components as well as equipment were reused for practical/project purpose.

2) Teachers using national knowledge network (NKN) ,NPTEL, NMEICT (National Mission of Education through ICT):

To teach difficult concepts/topics, teacher download videos from open sources such as NPTEL, etc which helps them as well as student to learn concept.

E) Students Support and progression:

1) Teachers performing Academic, Career, personal or Psychological counseling:

The students are counseled orally by the faculty members about the job opportunities as well about professional avenues available in the present market. A proper guidance is given by the faculty to the students about various academic activities and opportunities.

2) Numbers and efforts taken for the placement of the students: Nil

3) Involvement of teachers in Skill, Communication and Personality Development of the students: Nil

F) Governance, Leadership and Management: : Nil

16) Efforts of the Department to fulfill the Vision and Mission of the college:

- 1) Training on computer hardware maintenance has been arranged.
- 2) Earn and Learn scheme implemented.
- 3) Provide study material to needy student.
- 4) Run departmental library.

2) Participation of the teachers in the various College committees:

Faculty member wise Committees

Sr. No.	Name of the Faculty	Name of the Committee	Chairman/ Member
1.	Dr. Smt. P. G. Loke	T.Y.B.Sc. Admission Committee	Member
		Criterion-I NAAC Report	coordinator

15. A) Curricular Aspect:

1) Does the feedback on the syllabus is taken from the Student/ Teacher/Alumni/ academic peers? If yes, Please specify:

Every year a proper feedback is taken from the students about the subject teacher, curriculum and the infrastructural facilities. The feedback is analyzed by the head of the department as well as the principal of the college and accordingly proper action is taken by giving suggestions for the better performance on the part of the teacher. If some negative feedback is received about the curriculum the same is communicated to the university authority through the BOS members. The suggestions made by the students as far as enrichment programmes and infrastructural facilities are concerned are carried out by taking the appropriate action.

2) Whether the teaching plan of the department is prepared? If not, state the reason:

Yes. In order to carry out the teaching activity smoothly each faculty is provided with the academic calendar as well as teachers diary and is asked to prepare course wise teaching plan. This helps in resulting into completion of the syllabus in time. Towards the end of each term the teacher is also asked to submit the syllabus completion report.

3) Add on, diploma course, remedial teaching performed in the department (Y/N), Please specify : No

Every year the according to needs department conducts the course on Remedial Teaching for the slow learners. This helps in bridging the gap between the slow learners and the advanced learners.

4) Number of invited lectures arranged in the Department: Nil

B) Teaching- Learning and Evaluation:

1) Efforts taken for mentoring the slow and advanced learners:

- For mentoring the slow learners the department conducts a batch of Remedial Teaching, practice exams, provides question banks, study material, notes for the students who fail to score good marks in the internal examinations. As a result of this, students score good marks in the university examination.
- For the advanced learners special coaching about various examinations is given to the students. The department motivates and continuous guidance to such students for participating in various competitions as well as making presentations in the class.

1) Teaching methods used other than lecture method:

- Apart from the traditional lecture method and communicative and interactive methods to cope up with the age of Information Technology and Globalization, the department gives emphasis on the use of ICT in the teaching and learning process. Students are given chances to deliver lectures on the occasion of celebration of Teachers Day. Group discussions are carried out in the class.
- The students are motivated to participation in Quiz competition, Science exhibition, Biological Olympiad etc

2) E-learning methods used for teaching:

The department heavily makes use of E-learning methods for teaching. Some of the difficult topics are deal by using PPTs.

C) Research, Consultancy and Extension: Nil

1) Collaboration of the department with, Local National, International organizations (if any):

2) Linkages of the department with, Local National, International organizations (if any):

2) Consultancies of the department (if any): Department run the Vermicompost unit and the manure is utilized in college campus flora

3) Web pages, portal developed by teacher for the research activities: Nil

4) Participation of the teachers in the Extension activities:

Mr. J T Pagar 1 Member of Local Managing Committee of College.

2. Member of SPPUCTO of Local Unit.

D) Infrastructure:

1. Area of lab-110 Sq.m

2. No of Instrument-25

3. No of Equipments-69

4. No of Specimen-210

5. No of charts-120

6. ICT- two computer with Internet, LCD projector-

a) LCD Projector -01

b) Screen-01

c) Computers with internet facility – 02

d) Printer -01

a) LCD Projector -01

1) Efforts taken by the department for making green, eco-friendly college campus and waste management:

Though the department has not organized any special campaign for making green, eco-friendly college campus, the students from the department actively participate in such rallies organized by the NSS, NCC units of the college. Apart from this the students from the department are always made aware about the waste management and are motivated to reuse the waste in proper way. There has been put ban on the use of plastic in the department, therefore students do not have to submit any documents in the plastic files rather they can simply submit the papers by putting stapler. On the occasion of celebration of various days students are motivated to give saplings as a token of gift in place of other precious things. Such
