Internal Quality Assurance Cell

6.2.1 Deployment of institutional Strategic/ perspective/development plan

Each academic year, the institutional strategic/perspective plan is prepared and approved. Perspective plan is effectively deployed in order to satisfy the vision and mission of the institute. The internal Quality Assurance Cell is responsible for developing the institution's perspective and strategic plan. It is also commendable that various committees work together towards achieving the institution's goals. The fact that the perspective plan undergoes open discussion and feedback from stakeholders before approval by management, IQAC, and college development committee shows a commitment to transparency and inclusivity in decision-making processes.

A Perspective plan is in force in the Institution which takes into consideration the following aspects –

- Vision and Mission of the college
- Annual Calendar by CCE
- Annual Institutional Plan,
- Academic and Administrative Audit and Action Taken Report
- AQAR

Deployment	Perspective/ Strategic Plan
Management	The management strives to grant the bodies extensive independence in all areas of the decision-making process.
Various Committee	The Institution delegates responsibility to various committees to ensure smooth and effective functioning in the academic and administrative areas.
Admission Committee	Students who have just been admitted to the institution have a mechanism in place. Admissions are handled by the various departments and heads of departments at the Institute. Students are counseled by faculty members when they are admitted to the institution.

Deployment	Perspective/ Strategic Plan
Examination Committee	As the backbone of the institution, the Examination Department plays a vital role. The Primary function of this department is to conduct the Examination and Evaluation Process of the stakeholders. In this Department, various functions are handled, such as appointment of paper-setters, examiners, moderators. The Department of Examinations adheres to the rules and regulations set by the Savitribai Phule Pune University, Pune, the Government of Maharashtra, and the University Grants Commission.
Anti- ragging Committee	As part of its mandate, the Anti-Ragging Committee designs and implements strategies and action plans to curb the menace of ragging in the college.
Purchasing Committee	All academic and administrative amenities and amenities requirements are identified and monitored by the Institution purchase committee.
IQAC	The Internal Quality Assurance Cell (IQAC) plays a crucial role in ensuring the maintenance and enhancement of quality standards in various academic and administrative activities at the college. Its focus on teaching, learning, evaluation, research and other related areas helps to ensure that students receive a high-quality education that meets their needs. The IQAC's efforts are essential to maintaining the reputation of the college as a centre of excellence in education. It also helps in the overall development of the college by suggesting measures for improvement. It monitors the quality assurance systems, which includes setting targets and evaluating the progress of the college. As an academic, research, and educational organization, it can handle a variety of tasks.
Library	A Library has been established to facilitate the efficient and seamless operation of the library. Its primary objective is to ensure that the library functions smoothly and operates effectively.
Student Welfare Department	The Student Welfare Department offers a variety of welfare programs to students. The department facilitates leadership, social and extracurricular activities as well as counseling and economic benefits to foster the development of students into productive members of society.

Deployment	Perspective/ Strategic Plan
Staff –Welfare	The Staff Welfare is an established that aims to safeguard the well-being of the faculty members of the Institution. It serves to enhance the benefits and welfare of all staff members and facilitates seamless communication among them.
Research Centre	Our objective is to enhance the research capabilities of our institutions by expanding our network of research centers. We aim to facilitate increased participation in research projects sponsored by both government and non-government funding agencies, with the goal of creating greater opportunities for students and faculties alike.
Industry Visits, Field Visits,	In order to facilitate academic growth and development, it is imperative that we arrange departmental industry visits, field trips, seminars and workshops for both students and faculty members.
Cultural Activities	In order to promote students' participation in diverse cultural events arranged by various colleges, universities, and other departments of concern, it is important to implement effective strategies.
Environment friendly	In order to establish an environmentally friendly campus, we must take measures to reduce our carbon footprint and promote sustainable practices.
Infrastructure	To enhance the infrastructure facilities, it is essential to establish ICT-enabled classrooms. Additionally, creating awareness about the utilization of ICT is crucial. This will ensure a productive learning process that incorporates technology.
