The Maratha Vidya Prasarak Samaj is one of the most prestigious centers of learning in the State of Maharashtra. It has been over 109 years that it has stood the test of time to become legend of unparalleled stature. History says that the credit for the birth of M.V.P. Samaj goes to the young, enthusiastic and devoted team of social workers and educationists who were inspired by the lives of Mahatma Jyotiba Phule, Savitribai Phule and Rajashri Shahu Maharaj of Kolhapur. These young leading lights include Karmaveer Raosaheb Thorat, Karmaveer Ganpat Dada More, Karmaveer D. R. Bhosale who laid the foundation of the Samaj and during the course of time Karmaveer Kakasaheb Wagh, Karmaveer Bhausahab Hire, Karmaveer Annasaheb Murkute leads the organization and contributed towards its further journey. They were the men who envisioned a culture and knowledge centric society. MVP with the support of patronage, the donation either in kind or in wages by common populace started various hostels, schools, colleges within Nashik district. After independence Charity, Donation & Human Resources made it possible to continue the journey ahead. Under the leadership of Adv Baburao Thakare, Adv.Vitthalrao Hande and Dr. Vasanttrao Pawar MVP has added new streams of education in its educational journey. Now MVP has explored in the form of pre-primary, primary, higher secondary schools, conventional colleges & professional colleges. We are proud to mention that MVP is also recognized as a place of inception for various social initiatives. MVP has successfully intertwined the motto stated by its ancestral origins with the changing need of time by expanding the outlook to rise within the creative landscape of education. The motto of the Samaj reads for the 'Well being and Happiness of the masses to kindle the social cause.' बहुजन हिताय बहुजन सुखाय.

Hon. Sarchitnis Message

“Education is not preparation for life; Education is life itself.”

— Hon. Adv. Nitin Baburao Thakare

This beautiful & profound statement encapsulates the value of education. Nothing can quite uplift our spirit in quite the same manner as education does. Yes, there are some exceptions of people attaining greatness without formal education. But for the rest of us, education is the foundation on which to build our dreams into reality. Not long ago, education merely meant the transfer of knowledge from the teacher to the taught.

Today, education is much more than that. It has been estimated that the entire body of knowledge is doubling about every three years. To keep pace with this explosive growth is quite impossible. I firmly believe that the key differentiators that matters is the ethos of the Institute.

We are confident that our students will be meeting your requirements and contribute to your success, as has been out experience over past years. We request you to provide them the opportunity in your esteemed organization to achieve there career goals.

Principal's Message

Prof. (Dr.) Sopan K. Kushare

The Institute is awarded as a “Best Institute” in 2021-2022 by SPPU. The institute always concentrates on students’ qualitative performance along with their overall personality development. The institute motivates students for their social responsibilities. Various gender sensitization programmes were organized by different college committees in the Institute to bring out the overall development of students and thereby to mould a better society with equality.

The Institute regularly provides ample opportunities to the students from different streams to mingle together in academic, curricular, co-curricular & extracurricular organized through different societies. The spirit of mutual work, discipline, social responsibilities towards community development and nation building is inculcate through NSS, NCC & BSW.

The institute’s best practices are Gender sensitization and Health Cautiousness. Majority of the programmes are conducted under these best practices. I congratulate IQAC of the institute for taken initiative to prepare booklet of event reports 2022-23 for stakeholders

The institute contributes towards women empowerment by organizing various activities under the aegis of its Gender Sensitization and Women Empowerment Committee. The care for nature and environmental awareness is being promoted by the Institute. The girl students are provided a platform to express themselves under Girls Forum and Women Development Cell which organizes the activities like Girls NCC, Rover Ranger, *Beti Bachao*, Self Defence, for the overall Development of Girl Students.

The Institute enthusiastically provides student oriented schemes for their upliftment and empowerment. “The Earn and Learn Scheme” was started for economically weak students by SPPU. The selection is made through proper procedure- inviting applications- scrutinizing them and interview by the Institution. The institute organizes Yoga training programs, Personality Development Programs for all students of various faculties. World Yoga Day is celebrated every year under Health Consciousness Practice in which faculty members as well as students participate in a large number.

Invitation

Dear Colleagues,

It gives us immense pleasure to cordially invite you to participate in a Two Day State Level Workshop on "National Education Policy 2020" sponsored by S. P. Pune University, Pune, will be held on 03 and 04 February 2023. You are requested to attend the workshop by taking part in the deliberation.

About the Institution

About the Institution Maratha Vidya Prasarak Samaj was established by Karmaveer Rameshbhai Thorat and his supporters in 1914 with a motto "BahujanHitay,BahujanSukhay. This means 'Welfare and Happiness of the Masses'. The primary aim of the founders was to open the vistas of education to the deprived sections of the society. They believed that education will become the fulcrum of social change and uplift. Owing to the vision and missionary zeal of these connoisseurs of social movement, within decades the institute became the torchbearer of the largest number of primary and secondary schools, conventional and professional colleges and management institutes including the only medical college in the district. At present the institute is imparting quality education to more than 213598 students with the help of 485 branches and 9269 employees. Yashwantrao Chavan Maharashtra Open University Nashik has also felicitated the institution with 'Dr. Panjabrao Deshmukh Award'

About the College

About the College The college was established against heavy odds, in June 1993 with a vision to cater to the educational needs of youth of the industrial area of Nashik City. The college has received the 'Best College Award' from S. P. Pune University (2009-10 & 2021-22) as well as 'Copy Free Centre Award' from Yashwantrao Chavan Open University, Nashik. It has been reaccredited with 'A' Grade in the Third cycle by NAAC Bangalore with 3.20 CGPA. The year 2017-18 was celebrated as Silver Jubilee Year of the college. The college offers 17 under graduate programmes and 11 Postgraduate programmes. Apart from the conventional courses the college has established YCMOU centre that offers degree courses as well as Yoga Teacher Course through distance mode. College offers Diploma, Advanced diploma and Vocational degree in Food Processing Technology and Electrical Appliances repairing & Maintenance, Diploma in Sustainable Agriculture etc.

Workshop Overview

- Education Policy lays particular emphasis on the development of the creative potential of each individual. It is based on the principle that education must develop not only cognitive capacities - both the 'foundational capacities' of literacy and numeracy and 'higher-order' cognitive capacities, such as critical thinking and problem solving but also social, ethical, and emotional capacities and dispositions.
- The new education policy must provide to all students, irrespective of their place of residence, a quality education system, with particular focus on historically marginalized, disadvantaged, and underrepresented groups. Education is a great leveller and is the best tool for achieving economic and social mobility, inclusion, and equality. Initiatives must be in place to ensure that all students from such groups, despite inherent obstacles, are provided various targeted opportunities to enter and excel in the educational system.
- A good education institution is one in which every student feels welcomed and cared for, where a safe and stimulating learning environment exists, where a wide range of learning experiences are offered, and where good physical infrastructure and appropriate resources conducive to learning are available to all students. Attaining these qualities must be the goal of every educational institution. However, at the same time, there must also be seamless integration and coordination across institutions and across all stages of education.
