Sponsored Agency /Institute	Savitribai Phule Pune University,Pune
Total No. of the Participant	SPPU affiliated colleges-69
Name of the Expert	Dr. D.N.Pawar ( IQAC Coordinator.KSKW,Arts Science and Commerce College,Nashik-08)
Venue of the Event	The Institute
Programme Outcome	<p>KSKW ASC College CIDCO, Nashik organized a lecture on New National Education Policy 2020 on 27 th July 2023 in the college lecture hall. The main purpose of this Workshop was to create awareness about the newly launched National Education Policy-2020 amongst teachers and to make familiar them with the skills to help them understand its curriculum changes. The Principal, Prof. Dr. S.K.Kushare, welcomes the guests by a floral welcome. Dr. Smt. N.P.Nikam elaborates the aim and purpose of the workshop.</p> <p>The session began with the welcome note and introduction of the eminent Resource Person Dr.D.N.Pawar , who is a renowned name in the field of education for her expertise and experience of over 15 years and is an expert in conducting various competency building programs for mentoring the teachers. In his speech he shared that the New Education policy came into existence when the Union Cabinet chaired by the Prime Minister Shri Narendra Modi approved the National Education Policy-2020 on July 29, 2020. This is the third Education Policy in India after independence (1968, 1986 and 2020). The new National Educational Policy-2020 seeks to introduce and implement a sea of changes across all levels of education in India, including the essential understanding of education in the country.. Our speaker Dr.Pawar light on the creation of a new structure in place of old, i.e., replacing 10+2 with 5+3+3+4. He shared that the substantial impetus placed on vocational education or hands-on learning in the new policy will give rise to multiple hybrid jobs. With the rapid progression of information technology, and to be able to offer the students a much broader, multidisciplinary foundation, Dr.Pawar expressed the importance of using a holistic and multidisciplinary learning approach which will help the learners adapt and reinvent themselves to the demands of the new hybrid work culture and dynamic socio-cultural changes. He discussed about the redesigned report cards which will be a “holistic, 360-degree, multidimensional report that would reflect in great detail of the progress, skills and uniqueness of each learner in the cognitive, affective and psychomotor domains. He also added that the progress report will include self-assessment, peer assessment and teacher assessment.NEP emphasizes to move students away from rote learning, and raise literacy and numeracy skills at the foundational level. Every student will start achieving age-appropriate foundational literacy and numeracy (FLN) by 2025. The Principal Prof. Dr S.K.Kushare proposed the vote of thanks. It was a very inspirational and educational session. All the students and faculty were filled with new passion to start working on its implementation in their own spheres.</p>
