### Invitation

Dear Colleagues,

It gives us immense pleasure to cordially invite you to participate in a Two Day State Level Workshop on "National Education Policy 2020" sponsored by S. P. Pune University, Pune, will be held on 03 and 04 February 2023. You are requested to attend the workshop by taking part in the deliberation.

### About the Institution

About the Institution Maratha Vidya Prasarak Samaj was established by Karmaveer Rameshbhai Thorat and his supporters in 1914 with a motto "BahujanHitay,BahujanSukhay. This means 'Welfare and Happiness of the Masses'. The primary aim of the founders was to open the vistas of education to the deprived sections of the society. They believed that education will become the fulcrum of social change and uplift. Owing to the vision and missionary zeal of these connoisseurs of social movement, within decades the institute became the torchbearer of the largest number of primary and secondary schools, conventional and professional colleges and management institutes including the only medical college in the district. At present the institute is imparting quality education to more than 213598 students with the help of 485 branches and 9269 employees. Yashwantrao Chavan Maharashtra Open University Nashik has also felicitated the institution with 'Dr. Panjabrao Deshmukh Award'

### About the College

About the College The college was established against heavy odds, in June 1993 with a vision to cater to the educational needs of youth of the industrial area of Nashik City. The college has received the 'Best College Award' from S. P. Pune University (2009-10 & 2021-22) as well as 'Copy Free Centre Award' from Yashwantrao Chavan Open University, Nashik. It has been reaccredited with 'A' Grade in the Third cycle by NAAC Bangalore with 3.20 CGPA. The year 2017-18 was celebrated as Silver Jubilee Year of the college. The college offers 17 under graduate programmes and 11 Postgraduate programmes. Apart from the conventional courses the college has established YCMOU centre that offers degree courses as well as Yoga Teacher Course through distance mode. College offers Diploma, Advanced diploma and Vocational degree in Food Processing Technology and Electrical Appliances repairing & Maintenance, Diploma in Sustainable Agriculture etc.

### Workshop Overview

- Education Policy lays particular emphasis on the development of the creative potential of each individual. It is based on the principle that education must develop not only cognitive capacities - both the 'foundational capacities' of literacy and numeracy and 'higher-order' cognitive capacities, such as critical thinking and problem solving but also social, ethical, and emotional capacities and dispositions.
- The new education policy must provide to all students, irrespective of their place of residence, a quality education system, with particular focus on historically marginalized, disadvantaged, and underrepresented groups. Education is a great leveller and is the best tool for achieving economic and social mobility, inclusion, and equality. Initiatives must be in place to ensure that all students from such groups, despite inherent obstacles, are provided various targeted opportunities to enter and excel in the educational system.
- A good education institution is one in which every student feels welcomed and cared for, where a safe and stimulating learning environment exists, where a wide range of learning experiences are offered, and where good physical infrastructure and appropriate resources conducive to learning are available to all students. Attaining these qualities must be the goal of every educational institution. However, at the same time, there must also be seamless integration and coordination across institutions and across all stages of education.
