Best College Award of Savitribai Phule Pune University Pune in 2009-10 and 2021-22

Internal Quality Assurance Cell

Criterion – VII Institutional Values and Best Practices

7.2 Best Practices

1) Gender Sensitization:

Gender Sensitization is a basic requirement to understand the sensitive needs of a particular gender. It helps us to examine our personal attitudes and beliefs and question the 'realities' that we think we know. Why is gender equality important for economic development? Sustainable development relies on ending discrimination against women and providing equal opportunities for education and employment. Gender equality has been conclusively shown to stimulate economic growth, which is crucial for developing countries. Gender sensitization presides over gender sensitivity, the modification of behaviour by raising awareness of gender equality concerns. This can be achieved by conducting various sensitization campaigns, training centres, workshops, programmes, etc. In our institute, the Gender Audit tries to assess the impact of its current and proposed policies on gender equality and gender sensitization. Observing gender equality, the girls are provided with various facilities and special attention.

The objective is not only the equality and empowerment of men and women, but of transgender people as well. It also aims to provide a harmonious and fertile environment for all students to excel physically, mentally, intellectually, and emotionally while upholding ethics and values. It is necessary to change their perspective on gender and create a safe and secure environment where all three genders coexist harmoniously.

Goal:

Gender mainstreaming wants to contribute towards a gender-sensitive society where agreement between individuals united around a common goal, opportunities, and responsibilities are shared by women and men in equal measure.

Objectives:

- To establish good gender balance in decision-making processes in all areas of the institute's activities.
- To suggest measures for bridging the gender gap.
- To implement human values regarding the third gender.

- To inculcate awareness among students about equality of gender

The Practice:

Facilities like a special study room, a staircase, two-wheeler parking, separate circulation counters, reading rooms, a ladies' room, a washroom facility, and a sanitary napkin vending machine are provided for the girls. They are also given self-defence training. Our institute has an anti-ragging and discipline committee, a Vishakha committee, and an anti-sexual harassment cell. Girl students are provided opportunities to express themselves under the Women Development Cell, Vidyarthini Manch, and Girls Forum, which conduct activities like Nirbhay Kanya, Girls NCC, Beti Bachav, Self-Defence, and Yoga. Meditation camps are also organised for students. Lectures by eminent personalities are held on various topics to develop their personalities. The Manakarnika Award, which has been given to motivate girl students in every department who show excellent academic performance. A book exhibition on gender sensitization was organised by the library.

Evidence of Success –

The gender sensitizing programme brought a change in behaviour and instilled understanding the thoughts and the views that we hold about our own and the other genders." It helps people in examining their personal attitudes and beliefs and questioning the 'realities' they think they know.

Problems encountered and resources required:

the majority of programmes were conducted in online mode.

2) Health Consciousness:

Health isn't everything, but without health, everything is nothing. The saying itself tells us that health consciousness is an integral part of human lives. Keeping this in mind, the Institute has decided to run one of the best practises that will concentrate on developing a positive attitude about health consciousness among the faculty as well as students. The best practise, health consciousness, and blending of physical and mental together will also help in inculcating spiritual values among the students.

Goals:

Health consciousness includes not only the physical health but also the mental health of the students.

Objective:

- Physical fitness for all students
- Overall health management
- Organisation of different fitness programmes related to yogic science.
- Special training for specially abled players
- Improve physical, mental, and social health.
- To improve students' academic performance by raising their level of energy, focus, and concentration

The Practice:

The Government of Maharashtra District Sports Office Nashik and Maratha Vidya Prasarak Samaj's K.S.K.W. Arts, Science, and Commerce Institute CIDCO Nashik Jointly Organised State-Level Conference on Yogic Sciences To make students aware of their physical problems, the institute has developed a well-equipped gymnasium. There are separate schedules for the faculty, boys, and girls. The physical fitness camps were organised by the institute to make students aware of their endurance power, agility, body strength, and other issues related to their physical fitness. Taking into consideration the inner part of the body, the institute also uses the practise of Shuddhikriya to keep the students healthy and fresh. The institute also has a lezim and rhythmic yoga troupe to make students aware of the flexibility of their bodies. One of the

outstanding activities included in this practising is that the institute organises self-defence programmes for female students. It helps boost the confidence level of the students. Yoga is now the best practice for improving individual health and improving physical, mental, social, and emotional fitness, as well as immunity power. Our institution has organised a Basic Yoga Certificate course and an Advanced Yoga Certificate course jointly with the Maharashtra Government's District Sports Office in Nashik. In this practical training of yoga asanas, pranayams, and meditations, the Gymkhana Department publishes health awareness yoga articles weekly in the Sakal Newspaper. Improvements have been seen in the health of students due to these programmes. The institute organised a State Level Conference on 'Healthy and Fit India through Yogic Science Conference' with Savitribai Phule Pune University and District Sports Office Nashik. Due to the lockdown period, instead of physical training, there were organised online programmes.

The institute organises yoga training and personality development programmes for the students of various faculties. World Yoga Day is celebrated under "Health Consciousness Practice," in which faculty members as well as students participate in large numbers. To develop leadership qualities among the students and make them courageous, the institute organises 'Giryarohan Shibir' (trekking camp).

Also, the International Yoga Day programme (health awareness), the Fit India movement programme (fitness awareness in society), World Suryanamaskara Day (fitness awareness in society), the Yogathon (health awareness programme), the state conference Healthy & Fit India through Yogic Science, and the Lokmat Mahamarathon (fitness awareness in society) were organised.

On the occasion of National Sports Day, our institute organised a Blood Donation Camp at Dr. Vasantrao Pawar Medical Institute, Hospital & Research Centre, Adgaon, Nashik, and achieved 1st prize. The departments of physical education and sports jointly organised blood donation camps for the benefit of society.

The NSS unit of the Institute organises various activities for health consciousness, like blood donation camps, haemoglobin check-up camps, and medical check-ups, as well as participating in various health related rallies.

A health audit was done every year.

Evidence of Success

- Knowledge of the interconnections between the body, the breath, the mind, and the emotions in the context of maintaining resilience and well-being

- In this programme, participants acquired skills useful in saving lives from animal bites, road accidents, epidemics of communicable diseases, trauma and cardiac arrest, fire, and overall health awareness. Due to this webinar series, 864 teachers, students, and citizens benefited.

Problems encountered and resources required:

- In rural areas, the public is not easily willing for a health check-up without any symptoms or discomfort of the illness.
- Yoga is needed. Meditation hall, yoga mats, a special music system, and good natural climate infrastructure

"COVID-19 Vaccination and awareness survey " 2022-23

* Indicates required question

1. Email *

2. Name of the Student volunteer *

3. Subject of Student volunteer *

4. Class of Student volunteer *

"COVID-19 Vaccination and awareness survey "

5. Name of the villager *

6. Gender *

Mark only one oval.

☐ Female

☐ Male

☐ Other

7. Date of birth *

Example: January 7, 2019

8. Age *

9. Do you know about COVID-19 Vaccine ? *

Mark only one oval.

☐ Yes

☐ No

10. Do you think everyone should take COVID-19 vaccine? *

0 points

Mark only one oval.

☐ Yes

☐ No

11. Is COVID-19 Vaccine effective? *

0 points

Mark only one oval.

☐ Yes

☐ No

12. Is the vaccine safe? *

0 points

Mark only one oval.

☐ Yes

☐ No

13. Currently who is eligible to get COVID -19 vaccine in India? *

0 points

Mark only one oval.

- ☐ Less than 18 years of age
- ☐ More than 18 years of age
- ☐ All age group

14. How many COVID -19 Vaccination Doses you have taken? *

Mark only one oval.

- ☐ None
- ☐ One
- ☐ Two
- ☐ Three
- ☐ Other: _____

15. Do we need a vaccination certificate? *

Mark only one oval.

- ☐ Yes
- ☐ No

16. Have you Suffered from COVID-19? *

Mark only one oval.

- ☐ Yes
- ☐ No

17. If you have recovered from COVID-19, still need to get vaccine ? *

0 points

Mark only one oval.

- ☐ Yes
- ☐ No

18. Is the vaccine is only protection for COVID-19? *

0 points

Mark only one oval.

☐ Yes

☐ No

19. Is the vaccine free for all? *

0 points

Mark only one oval.

☐ Yes

☐ No

20. Which vaccine is better? *

0 points

Mark only one oval.

☐ Covishield

☐ Co-vaccine

☐ Sputnik V

☐ Others

☐ All are same

21. After vaccination if in future person get infected from COVID-19 then the severity of infection will be....

* 0 points

Mark only one oval.

☐ Less

☐ More

☐ No effect

22. Do you think vaccine make people COVID-19 positive? *

Mark only one oval.

☐ Yes

☐ No

23. Does the vaccine will protect the person against new mutated virus also ? * 0 points

Mark only one oval.

- ☐ Yes
- ☐ No

24. Which side effect you experienced after Covid- 19 Vaccination. * 0 points

Check all that apply.

- ☐ Fever
- ☐ Fatigue
- ☐ Muscle pain
- ☐ Chills
- ☐ Diarrhoea
- ☐ Pain at the injection site
- ☐ Any other
- ☐ Other: _____

25. Is it necessary to carry any government issued identity proof like Adhar , PAN, Pass port, etc. for vaccination? *

Check all that apply.

- ☐ Yes
- ☐ No
- ☐ Other: _____

26. Even if a person is vaccinated, he should wear mask and take other preventative measures. * 0 points

Mark only one oval.

- ☐ Yes
- ☐ No

Invitation

Dear Sir/Madam,

It gives us immense pleasure to cordially invite you to participate in a Two Day State Level Workshop on "National Education Policy 2020" organized by M. V. P. Pune University, Pune, will be held on 03 and 04 February 2023. You are requested to attend the workshop by taking just a short duration.

About the Institution

About the Institution: Maratha Vidyapeeth Pravarik Sangh was established by late Maratha Bhamburda Thakur and his supporters in 1914 with a motto "Brahmavit, Vidya, Yashas". This motto "Brahmavit" and "Brahmavit" means "Brahmavit". The primary aim of the institution was to spread the vision of education to the deprived sections of the society. They believed that education will become the harbinger of social change and uplift. Owing to the vision and visionary work of these visionaries of social movements, within a short time the institution became the harbinger of the development of primary and secondary schools, universities and professional colleges and universities providing the only medical college in the district. At present the institution is imparting quality education to more than 211000 students with the help of 400 branches and 9000 employees. Yashwantrao Chavan Maharashtra Open University Nashik has also affiliated the institution with Dr. Pravin Deshpande Award.

About the College

About the College: The college was established against heavy odds, in June 1989 with a vision to cater to the educational needs of youth of the industrial town of Nashik City. The college has evolved from its humble beginnings of a small college to a large college. It has been awarded with 'A' Grade in the Third cycle by NMAC Bangalore with 120 CGPA. The year 2017-18 was celebrated as 30th Silver Year of the college. The college offers 17 under graduate programmes and 14 Postgraduate programmes. Apart from the conventional courses the college has established VESOU centre that offers degree courses as well as Yoga Teacher Course through distance mode. College offers Diploma, Advanced diploma and Technical diploma in Food Processing Technology and Electrical Appliances repairing & Maintenance, Diploma in Automobile Engineering etc.

Workshop Overview

- Education Policy has particular emphasis on the development of the creative potential of each individual. It is based on the principle that education must develop not only cognitive capacities - both the 'foundational capacities' of literacy and numeracy and 'higher-order' cognitive capacities, such as critical thinking and problem-solving but also social, ethical and emotional capacities and competencies.
- Therefore education policy must provide to all students, irrespective of their place of residence, a quality education system, with particular focus on historically marginalized, disadvantaged and underserved groups. Education is a right to life and is the basis for well-being, economic and social mobility, inclusion, and equality. Initiatives must be in place to ensure that all students from such groups, despite inherent obstacles, are provided various integrated opportunities to enter and excel in the think and learn.
- A good education institution is one in which every student, both welcomed and excluded, where a safe and welcoming learning environment exists, where a wide range of learning experiences are offered, and where good personal, cultural, and social and appropriate resources are available to learning and available to all students. A learning space that is not only a good of every educational institution. However, at the same time, there must also be a learning, integration and coordination across institutions and across all stages of education.

Subject: Letter of Appreciation.

Dear Madam,

We are glad to appreciate you for accepting our invitation as a guest for celebration of 'International Microorganism Day' on 17/09/2022

We are Thankful to you for enrichment of knowledge of students on 'Scope & Importance of Microbiology'. Your lecture was very informative and useful. We believe that the information you have shared will be immensely helpful to our students. It was really a splendid lecture. We know your time is precious and we are grateful you shared it with us.

Thanks once again for truly memorable lecture and also expecting your valuable cooperation in future events.
